GROUP 5

136 questions

ABC categories · theory questions

1. **The vehicles will proceed through the intersection in the following order:**

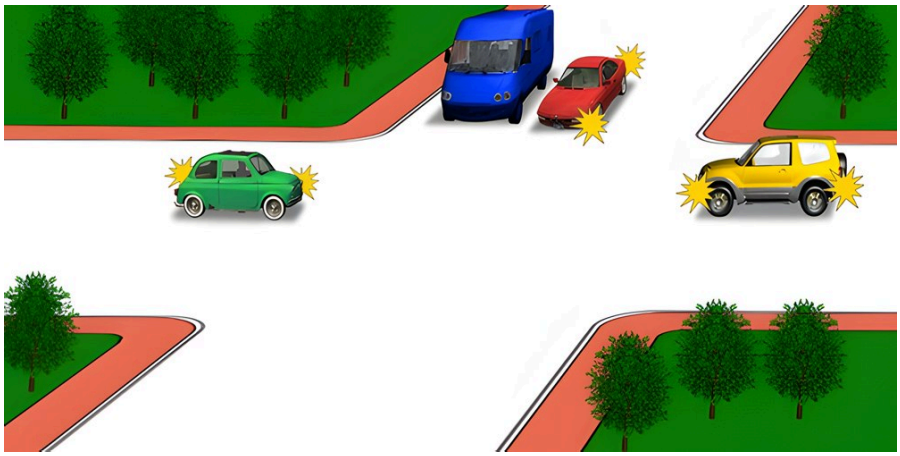

1. The passenger car, the bus, then the trolleybus.
2. The trolleybus and the bus, then the passenger car.
3. **The trolleybus, the passenger car, then the bus.**

Answer: 3

---

2. **Which vehicle will proceed through the intersection first?**

1. The red automobile.
2. The blue automobile.
3. The yellow automobile.
4. **The green automobile.**

Answer: 4

---

3. **Which vehicle will proceed through the intersection last?**

1. **The blue automobile.**
2. The green automobile.
3. The red automobile.

Answer: 1

4. **The blue automobile will proceed through the intersection:**

1. **First.**
2. Second.

Answer: 1

5. **Which answer correctly states the order in which the vehicles will proceed through the intersection?**

1. The bus, the passenger car, the bicycle.
2. The passenger car, the bus, the bicycle.
3. **The bicycle, the bus, the passenger car.**

Answer: 3

---

6. **Which vehicle will proceed through the intersection second?**

1. **The tram.**
2. The red automobile.
3. The blue automobile.

Answer: 1

---

7. **In which direction is traffic prohibited?**

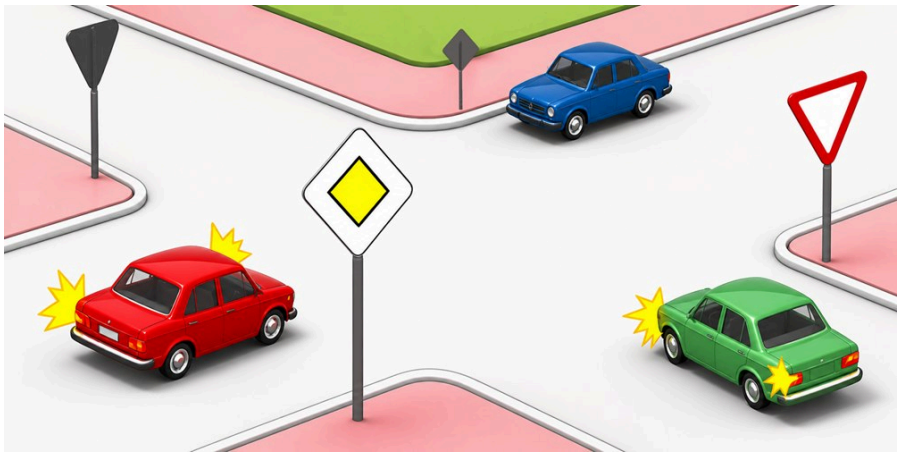

1. To the right through the first passage.
2. **To the right through the second passage.**
3. To the right through the first and second passages.

Answer: 2

---

8. **Which vehicle will proceed through the intersection second?**

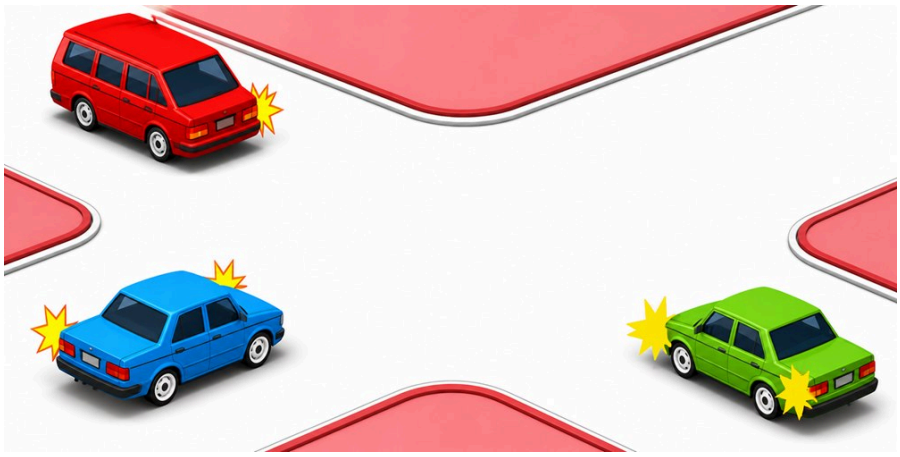

1. The green automobile.
2. **The red automobile.**
3. The blue automobile.

Answer: 2

---

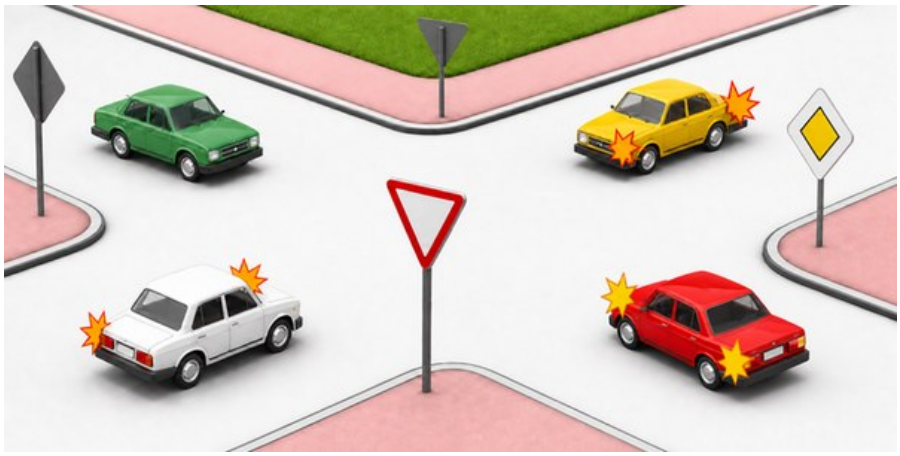

9. **Which vehicle will proceed through the intersection second?**

1. **The blue automobile.**
2. The green automobile.
3. The red automobile.

Answer: 1

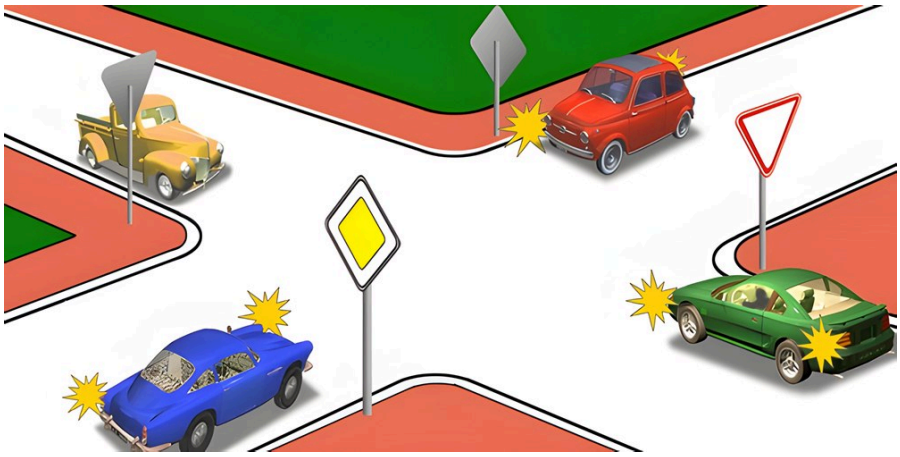

10. **Which vehicle will proceed through the intersection second?**

1. The white automobile, simultaneously with the yellow automobile.
2. **The red automobile.**
3. The green automobile.

Answer: 2

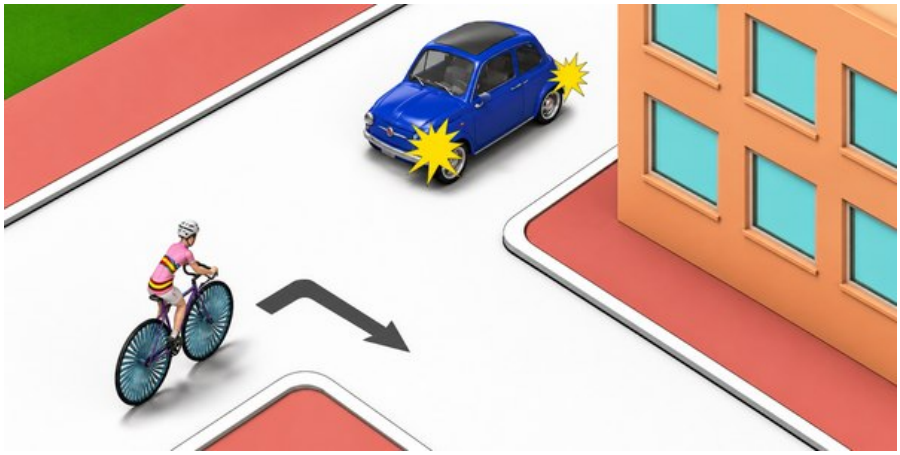

11. **Which vehicle will proceed through the intersection last?**

1. The blue automobile.
2. The yellow automobile.
3. **The green automobile.**
4. The red automobile.

Answer: 3

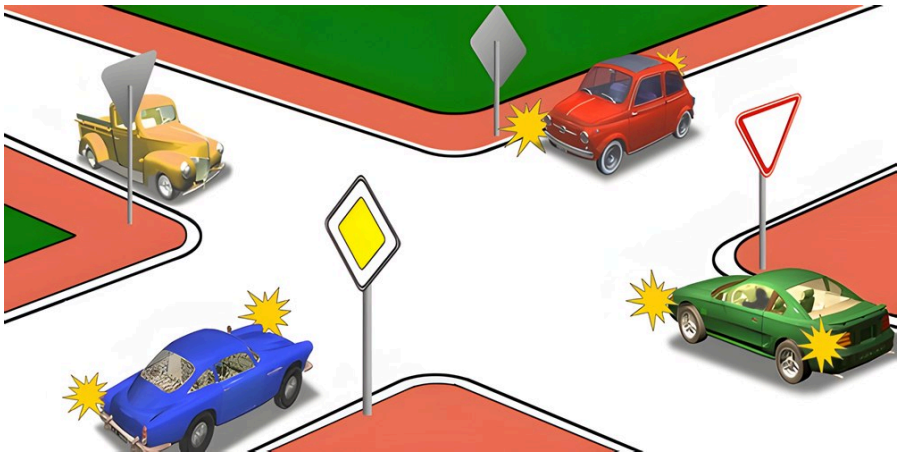

12. **Which vehicle driver must yield?**

1. The bicyclist.
2. **The automobile driver.**

Answer: 2

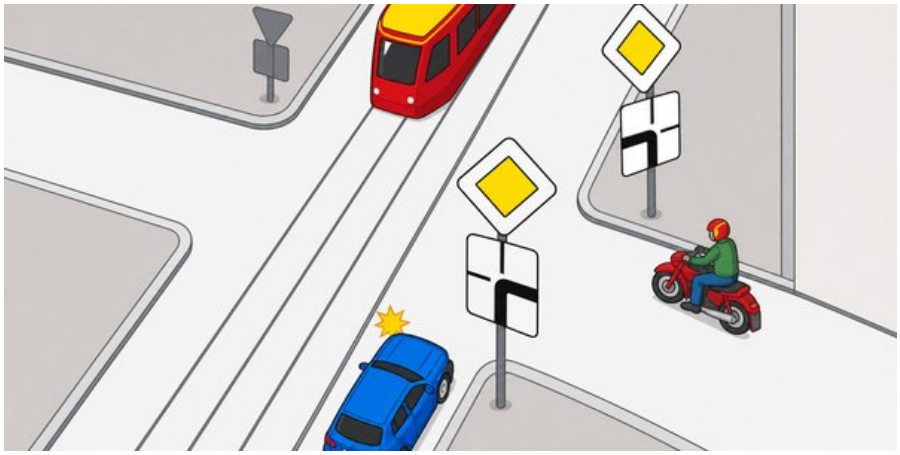

13. **Which vehicle will proceed through the intersection first?**

1. The green automobile.
2. The blue automobile.
3. **The red automobile.**
4. The yellow automobile.

Answer: 3

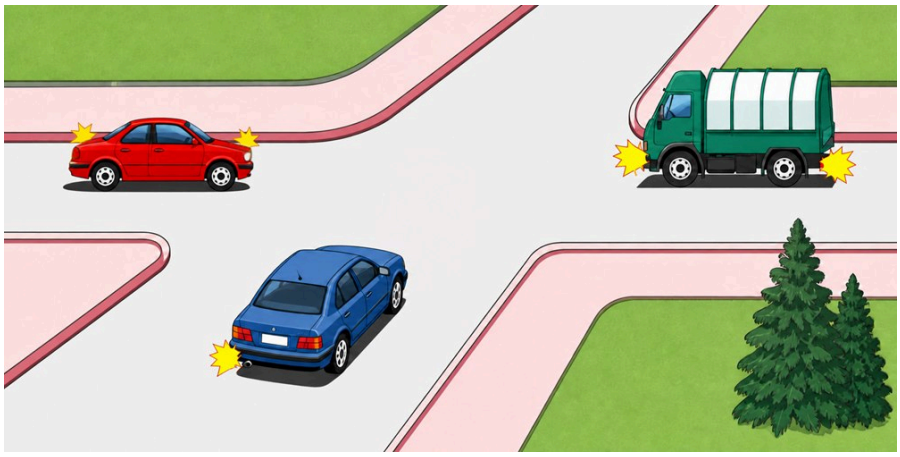

14. **In what order will the vehicles proceed through the intersection?**

1. **The motorcycle, the automobile, the tram.**
2. The tram, the automobile, the motorcycle.
3. The tram, the motorcycle, the automobile.

Answer: 1

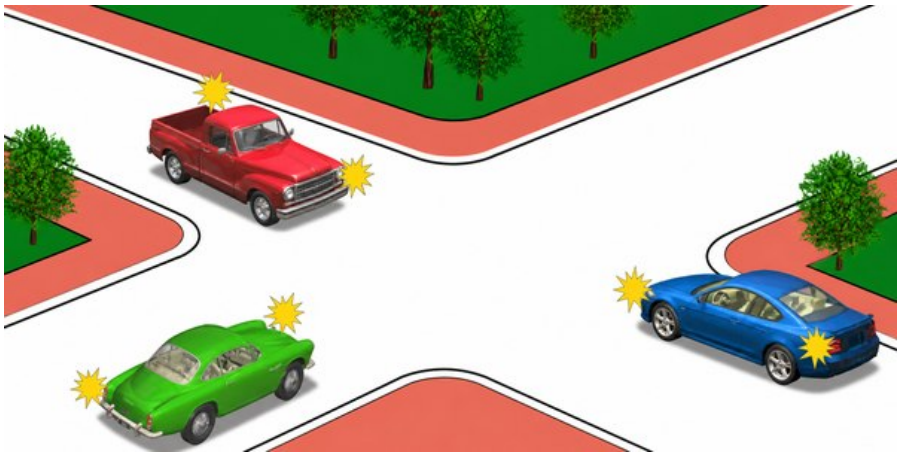

15. **Which vehicle will proceed through the intersection second?**

1. The red automobile.
2. **The blue automobile.**
3. The green automobile.

Answer: 2

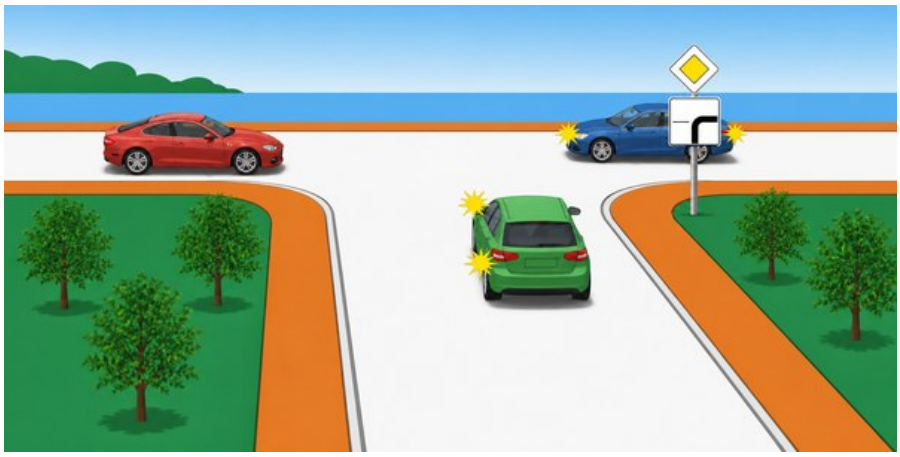

16. **Which vehicle will proceed through the intersection last?**

1. The green automobile.
2. The blue automobile.
3. **The red automobile.**

Answer: 3

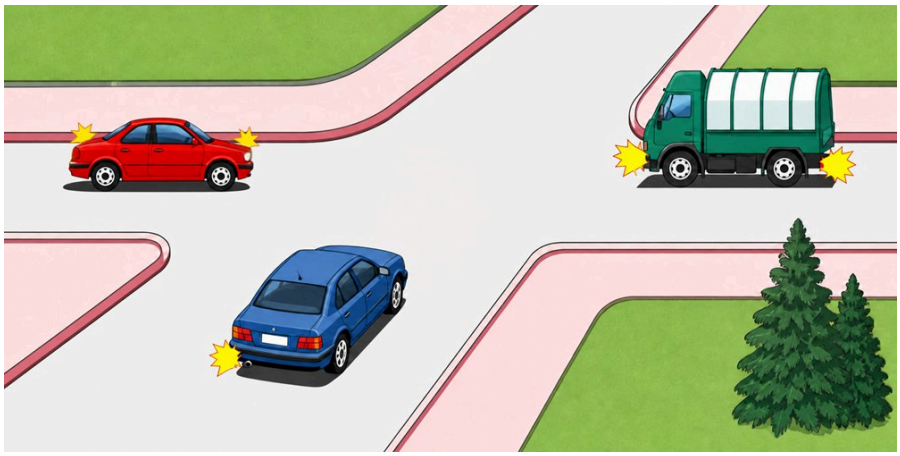

17. **Which automobile will proceed through the intersection last?**

1. The blue automobile.
2. **The red automobile.**
3. The green automobile.

Answer: 2

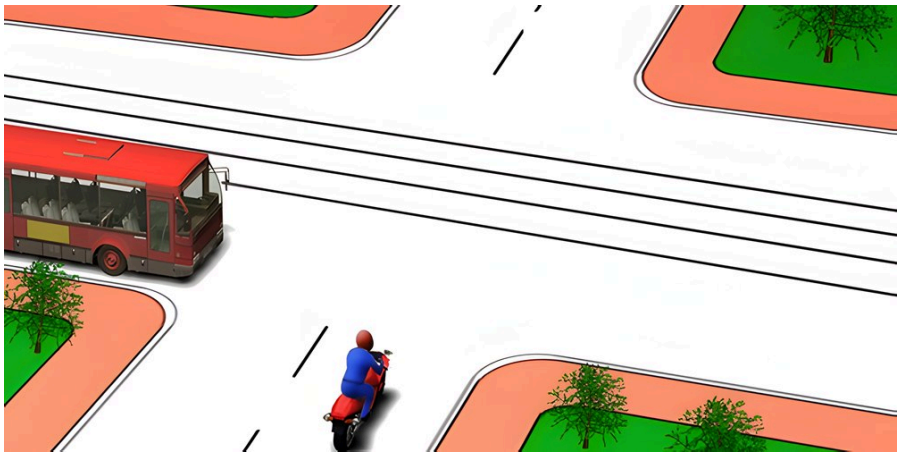

18. **Which vehicle will proceed through the intersection first?**

1. **The green automobile.**
2. The red automobile.
3. The blue automobile.

Answer: 1

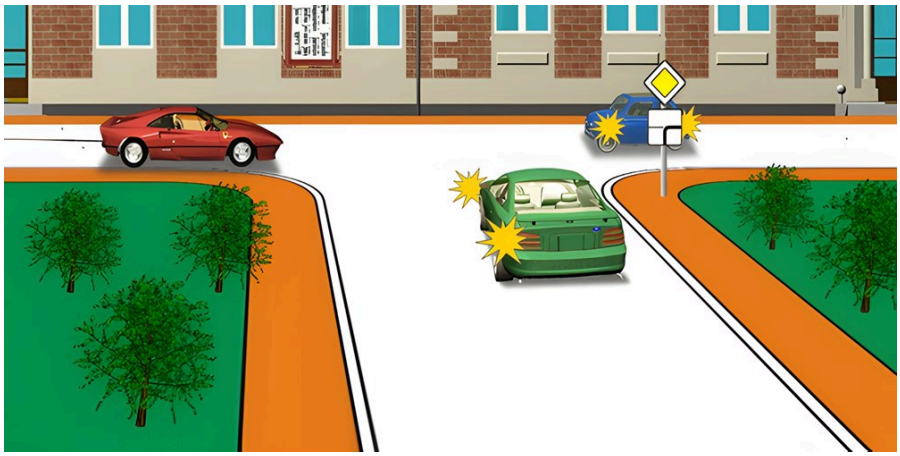

19. **Which vehicle driver must yield?**

1. **The bus driver.**
2. The motorcycle operator.

Answer: 1

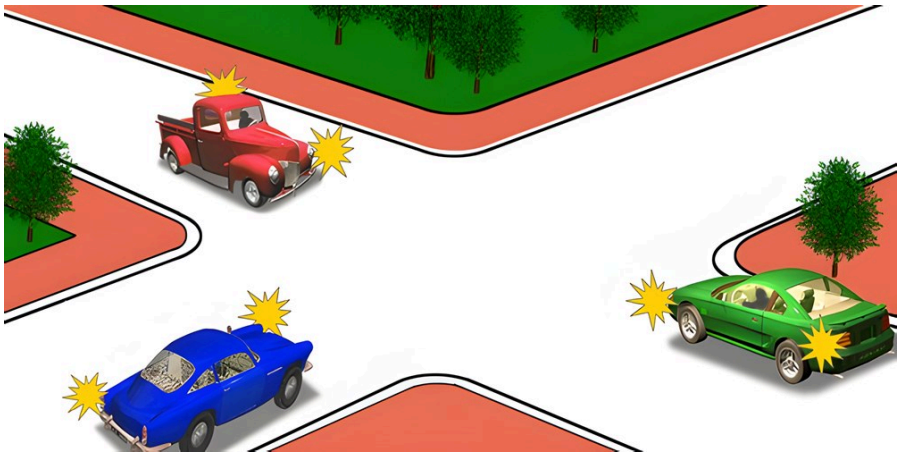

20. **Which vehicle will proceed through the intersection first?**

1. The red automobile.
2. The green automobile.
3. **The blue automobile.**

Answer: 3

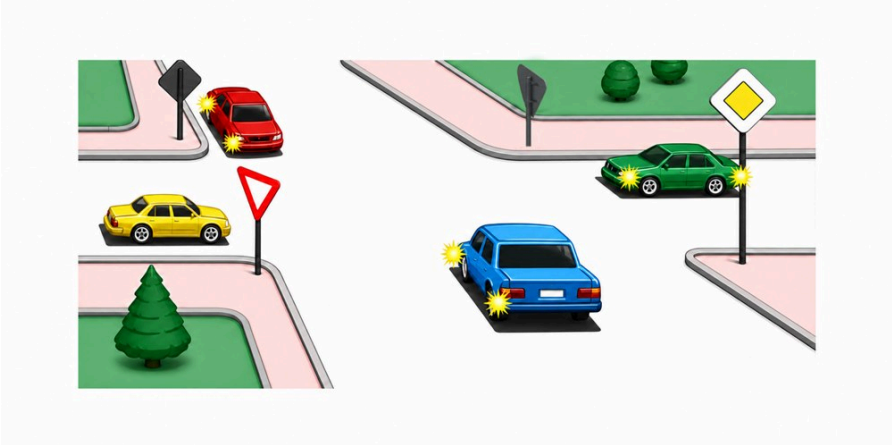

21. **Which vehicle will proceed through the intersection second?**

1. **The blue automobile.**
2. The green automobile.
3. The red automobile.

Answer: 1

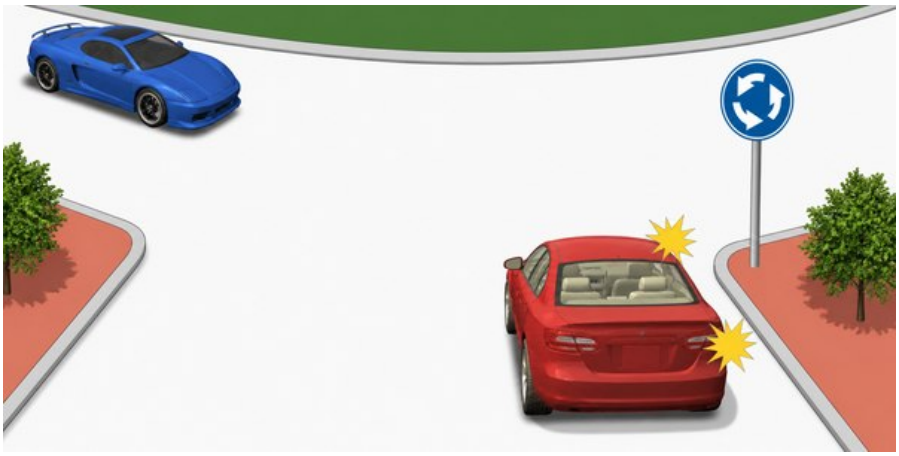

22. **Which vehicle will proceed through the intersection third?**

1. The blue automobile.
2. **The yellow automobile.**
3. The green automobile.
4. The red automobile.

Answer: 2

23. **The red automobile:**

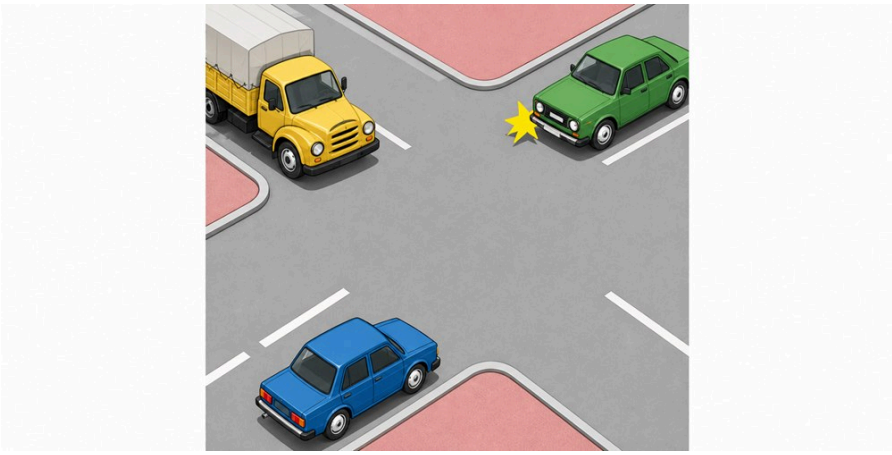

1. Has the right-of-way because it approached the roundabout from the right of the blue automobile.
2. **Must yield to the blue automobile proceeding on the roundabout.**

Answer: 2

---

24. **The automobiles will proceed through the intersection in the following order:**

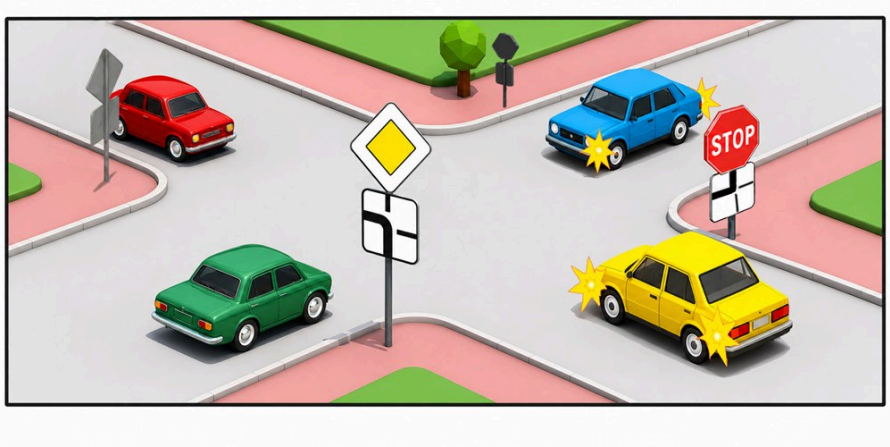

1. The yellow automobile, the green automobile, the blue automobile.
2. **The blue automobile simultaneously with the green automobile, then the yellow automobile.**

Answer: 2

---

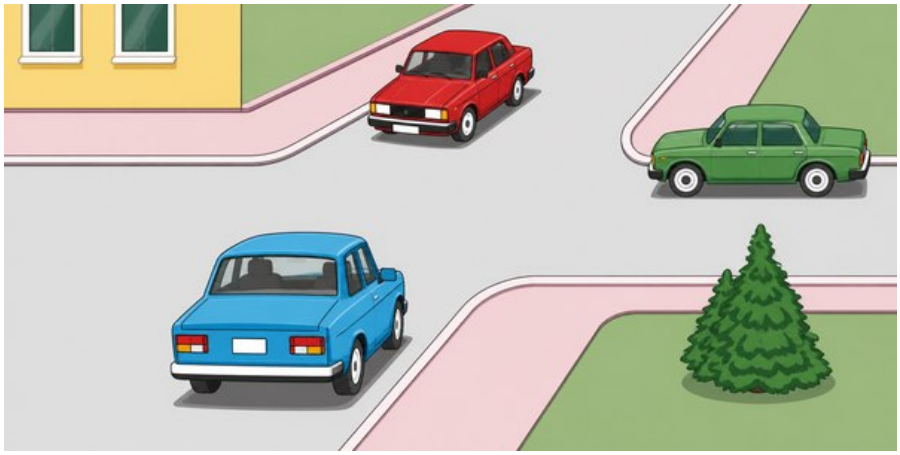

25. **Which vehicle will proceed through the intersection third?**

1. The yellow automobile.
2. The red automobile.
3. **The blue automobile.**
4. The green automobile.

Answer: 3

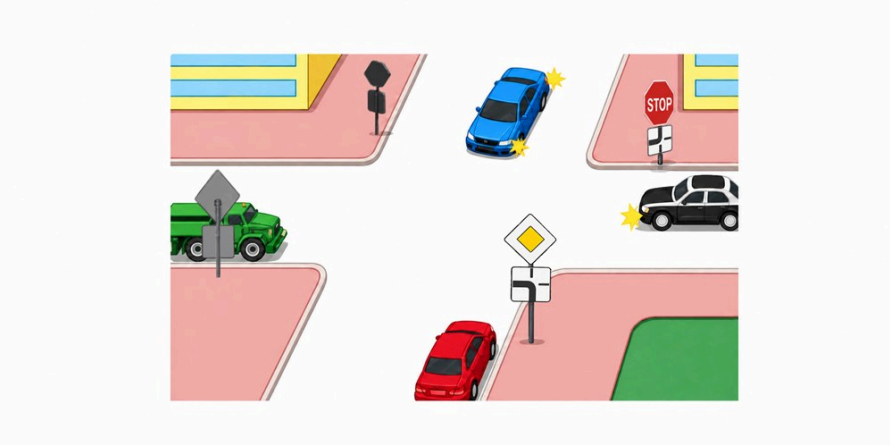

26. **Which vehicle will proceed through the intersection first?**

1. The green automobile.
2. The blue automobile.
3. **The red automobile.**

Answer: 3

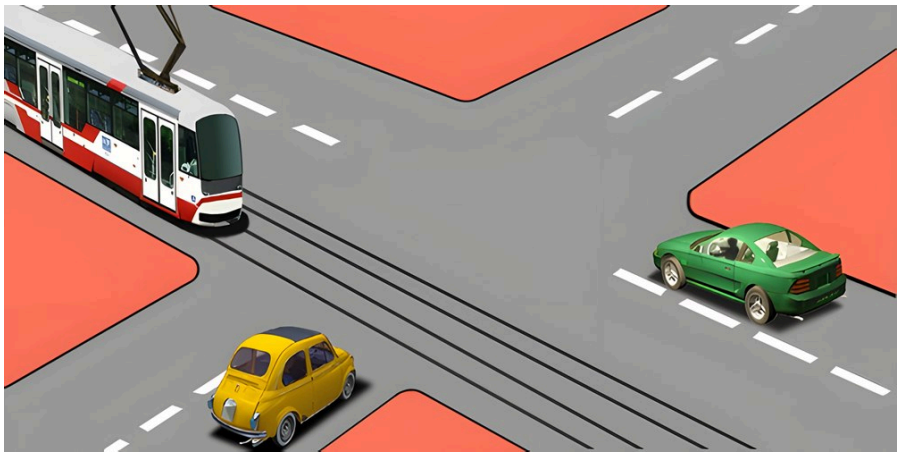

27. The vehicles will proceed through the intersection in the following order:

1. **The red automobile, the green automobile, the blue automobile, the black automobile.**
2. The green automobile, the red automobile, the black automobile, the blue automobile.
3. The green automobile, the red automobile, the blue automobile, the black automobile.

Answer: 1

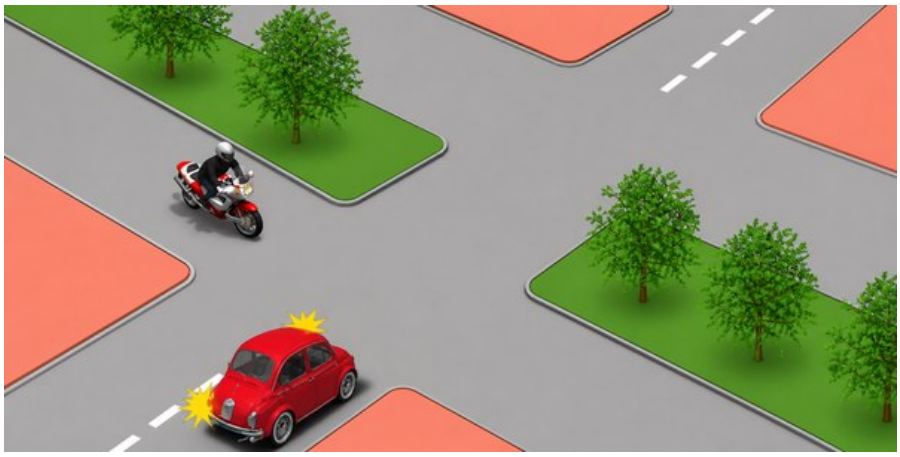

28. The vehicles will proceed through the intersection in the following order:

1. The tram, the yellow automobile, the green automobile.
2. **The tram and the green automobile, then the yellow automobile.**
3. The green automobile, the yellow automobile, the tram.

Answer: 2

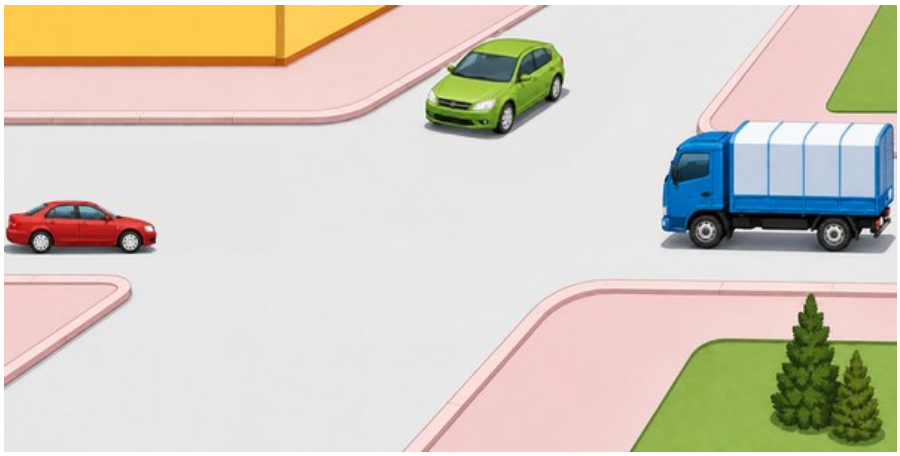

29. **Which driver has the right-of-way?**

1. The motorcycle operator.
2. **The automobile driver.**

Answer: 2

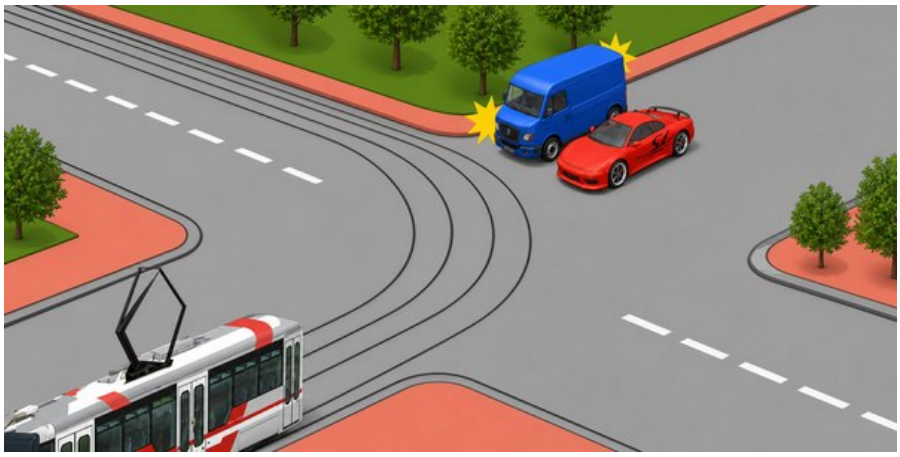

30. **Which vehicle will proceed through the intersection second?**

1. The red automobile.
2. The blue automobile.
3. **The green automobile.**

Answer: 3

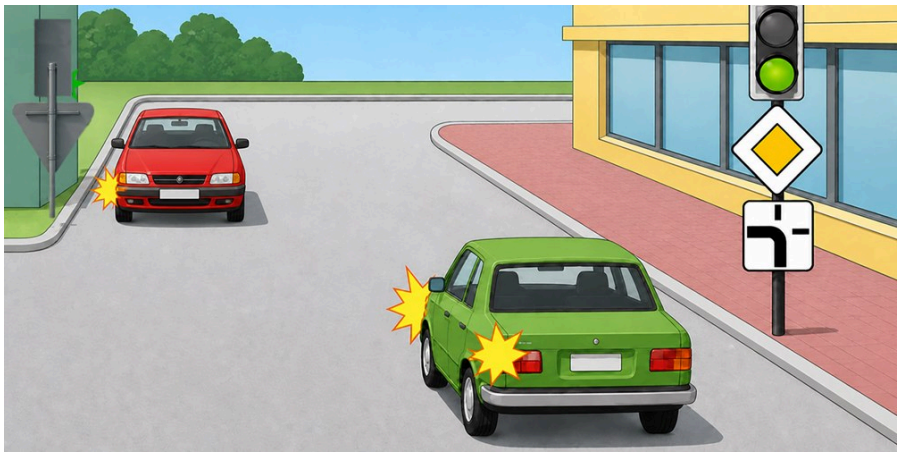

31. **Which vehicle driver must yield?**

1. The tram operator.
2. The truck driver.
3. **The automobile drivers.**

Answer: 3

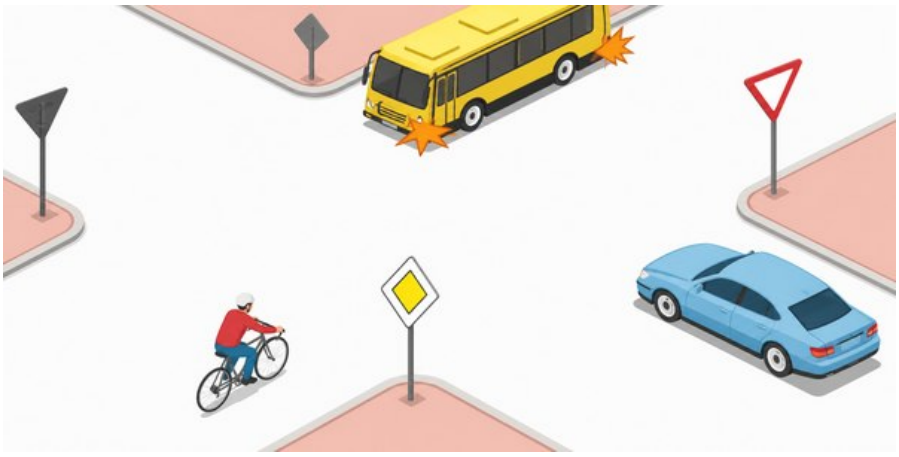

32. **The red automobile will proceed through the intersection:**

1. **First.**
2. Second.

Answer: 1

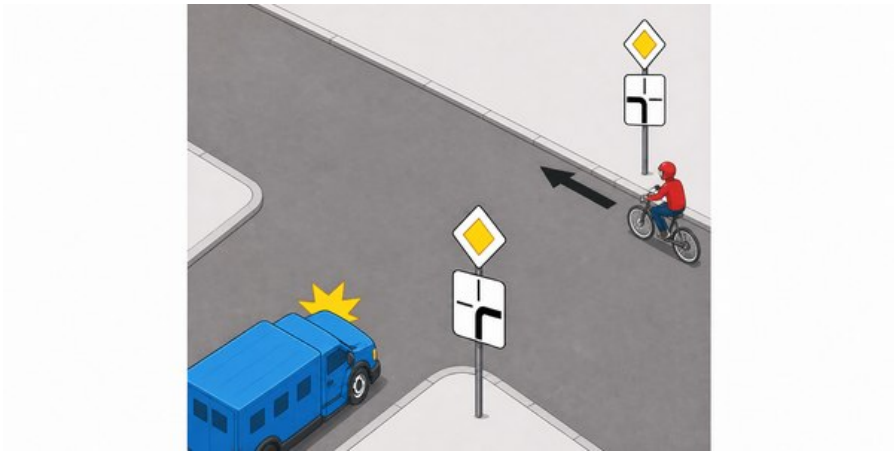

33. **The vehicles will proceed through the intersection in the following order:**

1. The passenger car, the bus, the bicycle.
2. The bus, the bicycle, the passenger car.
3. The bus, the passenger car, the bicycle.
4. **The bicycle, the bus, the passenger car.**

Answer: 4

34. **Which vehicle driver has the right-of-way?**

1. The automobile driver.
2. **The bicyclist.**

Answer: 2

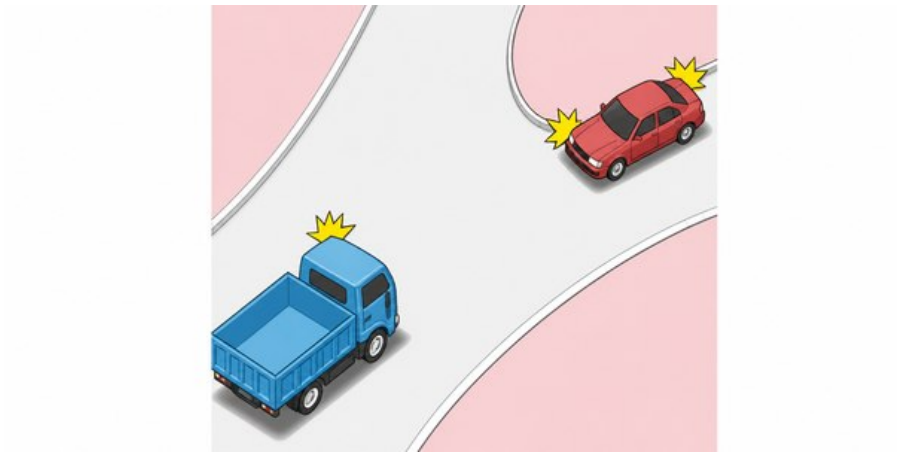

35. The vehicles will proceed through the intersection in the following order:

1. **The tram, then the automobile and the bus simultaneously.**
2. The tram, the bus, the automobile.
3. The bus, the tram, the automobile.

Answer: 1

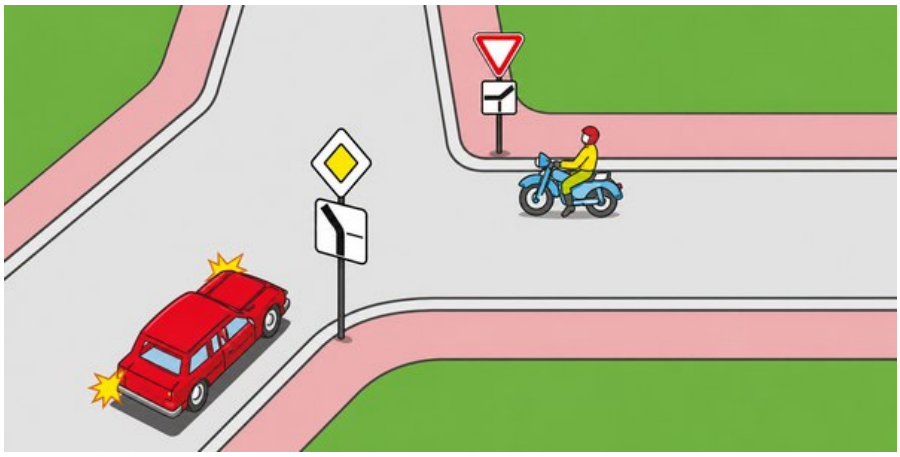

36. Which vehicle driver must yield?

1. **The driver of the blue automobile.**
2. The driver of the red automobile.

Answer: 1

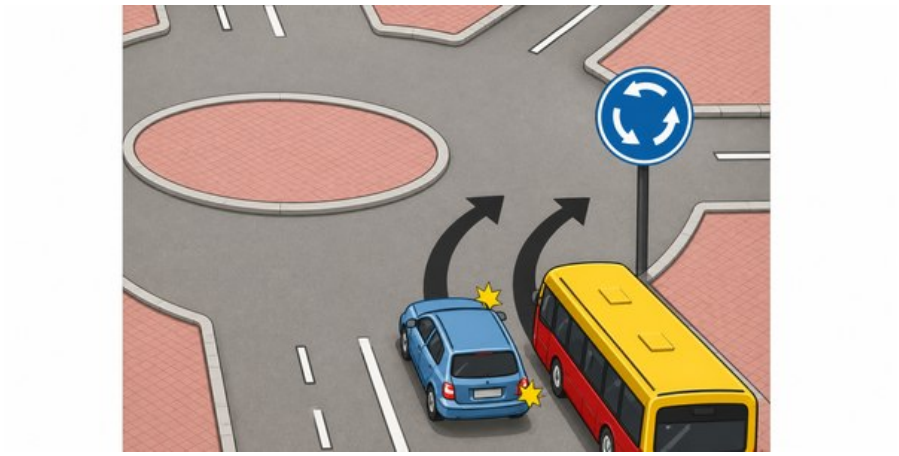

37. **Which vehicle driver must yield?**

1. The automobile driver.
2. **The motorcycle operator.**

Answer: 2

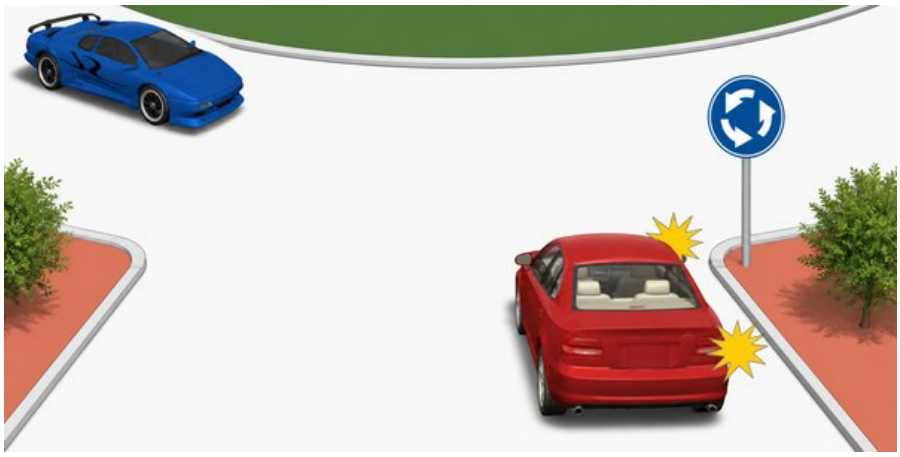

38. **Which vehicle driver is entering the roundabout correctly?**

1. **Both drivers.**
2. Only the bus driver.
3. Only the passenger-car driver.

Answer: 1

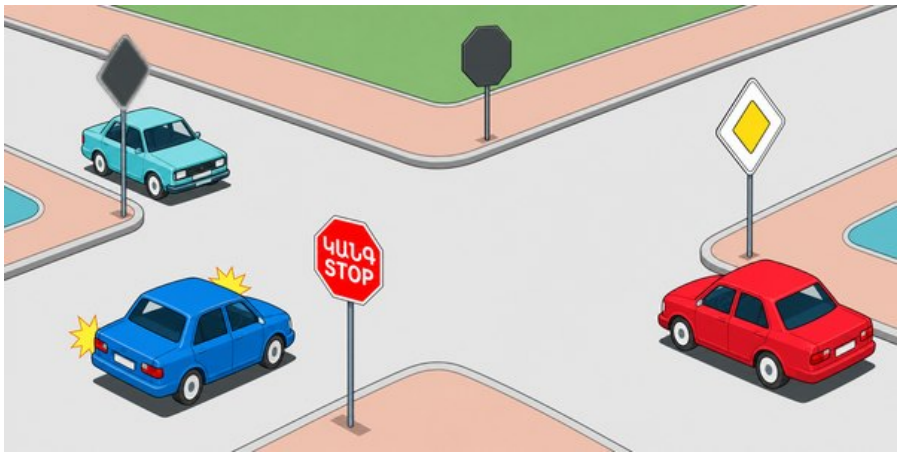

39. **Which vehicle has the right-of-way?**

1. The red automobile, because it is entering the roundabout from the right of the blue automobile.
2. **The blue automobile, because it is proceeding on the roundabout.**

Answer: 2

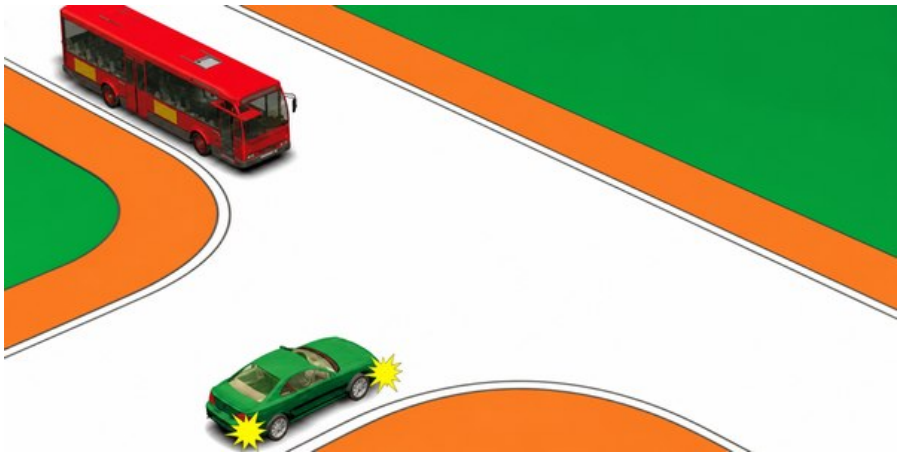

40. **Indicate the order in which the vehicles will proceed through the intersection:**

1. The blue automobile, then the red and green automobiles simultaneously.
2. The red automobile, the blue automobile, the green automobile.
3. **The red and green automobiles simultaneously, then the blue automobile.**

Answer: 3

41. The driver of the green automobile:

1. **Has the right-of-way.**
2. Must yield.

Answer: 1

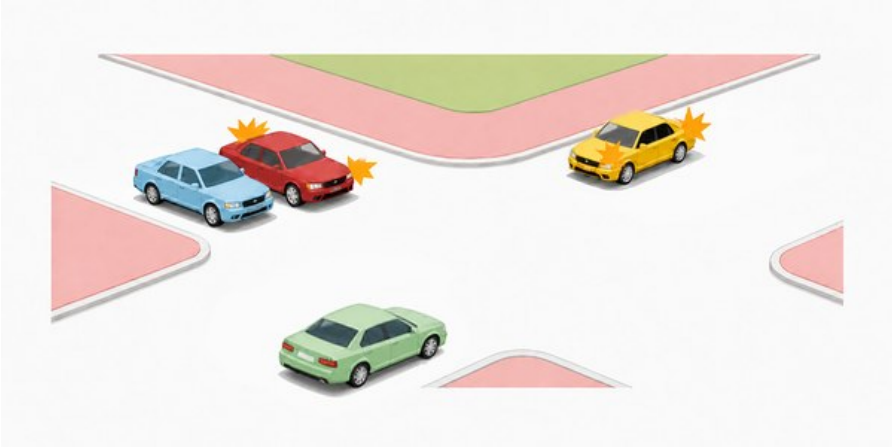

42. Which vehicle will proceed through the intersection last?

1. The red automobile.
2. The blue automobile.
3. **The green automobile.**

Answer: 3

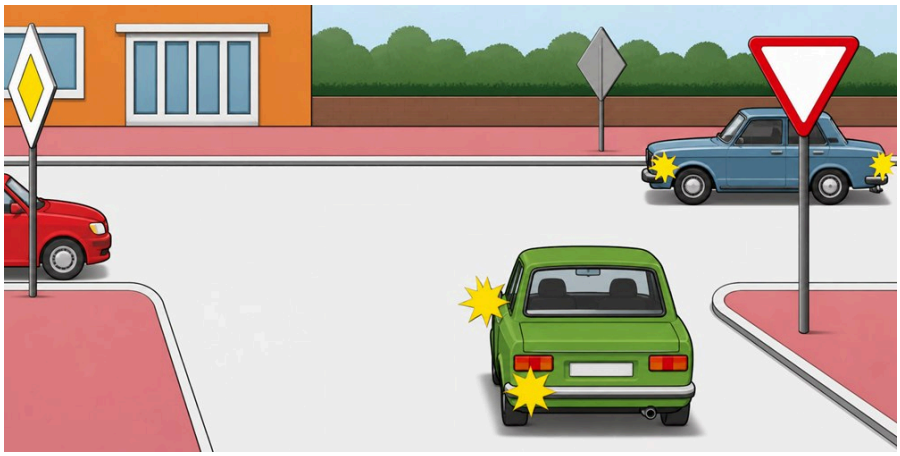

43. **Which vehicle will proceed through the intersection second?**

1. The green automobile.
2. **The red automobile simultaneously with the blue automobile.**
3. The yellow automobile.

Answer: 2

44. **The automobiles will proceed through the intersection in the following order:**

1. The blue automobile, the green automobile, the red automobile.
2. **The red automobile, the blue automobile, the green automobile.**
3. The green automobile, the red automobile, the blue automobile.

Answer: 2

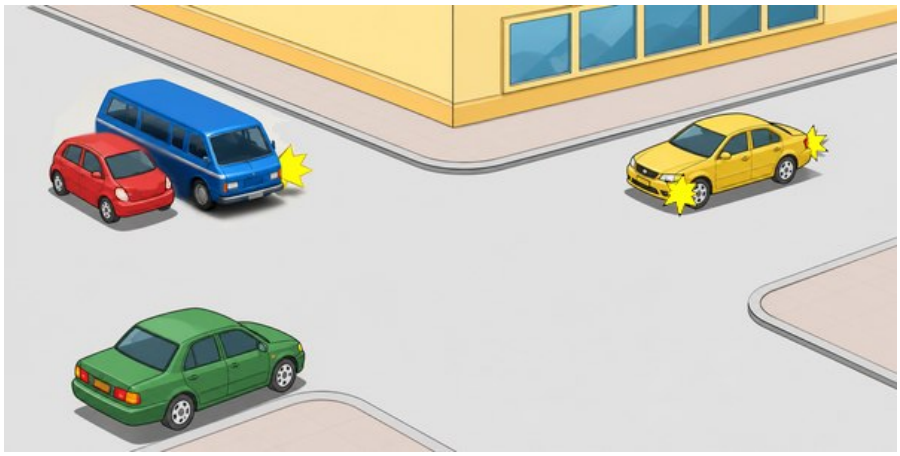

45. **Which vehicle will proceed through the intersection second?**

1. **The green automobile.**
2. The blue automobile.
3. The red automobile.

Answer: 1

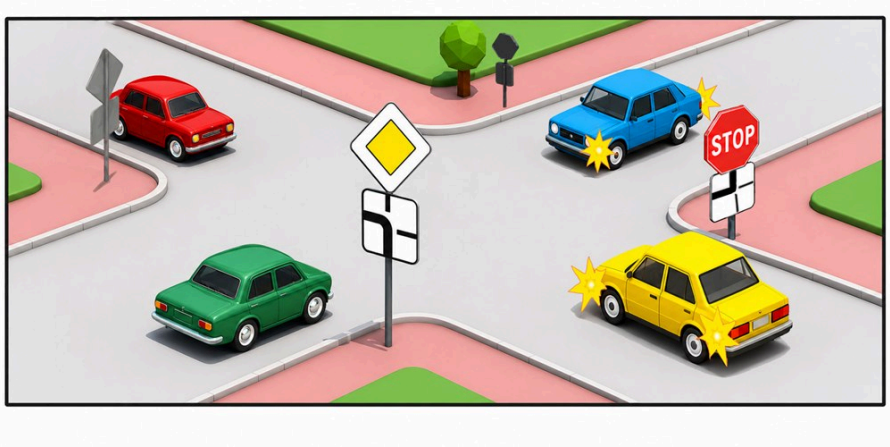

46. **The red automobile will proceed through the intersection:**

1. **Second, simultaneously with the blue automobile.**
2. Second, after the yellow automobile.
3. Third, after the green and yellow automobiles.

Answer: 1

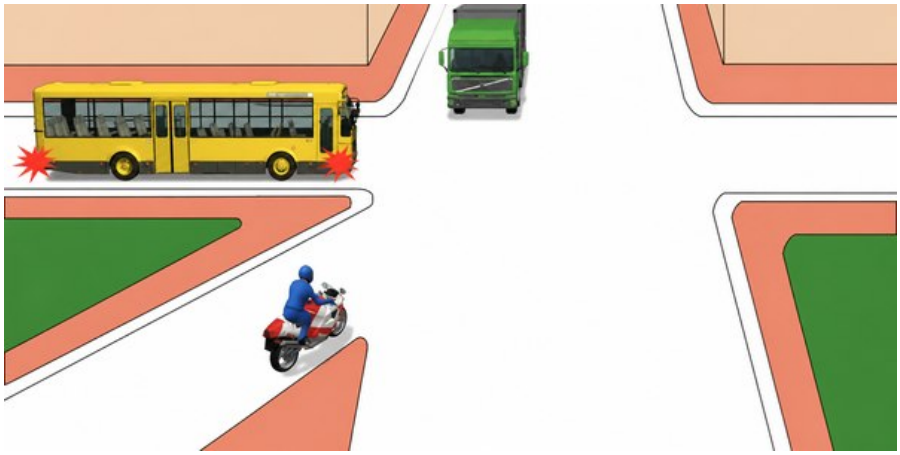

47. The yellow automobile will proceed through the intersection:

1. First.
2. Second.
3. Third.
4. **Last.**

Answer: 4

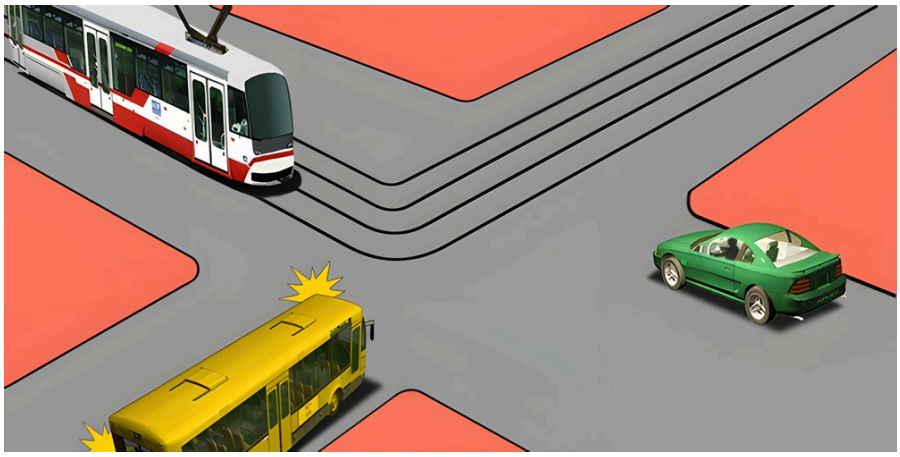

48. Which answer correctly states the order in which the vehicles will proceed?

1. **The motorcycle, the bus, the truck.**
2. The bus, the motorcycle, the truck.
3. The bus, the truck, the motorcycle.

Answer: 1

49. **The vehicles will proceed through the intersection in the following order:**

1. The passenger car, the bus, the tram.
2. The tram, the bus, the passenger car.
3. **The tram, the passenger car, the bus.**

Answer: 3

50. **Which vehicle driver must yield?**

1. The passenger-car driver.
2. **The bus driver.**

Answer: 2

51. **Which vehicle must yield?**

1. The blue automobile.
2. **The red automobile.**

Answer: 2

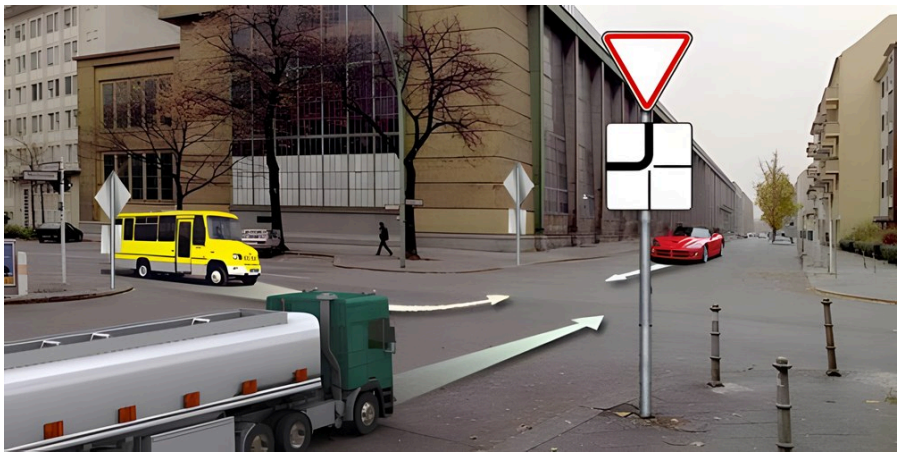

52. **The vehicles will proceed through the intersection in the following order:**

1. The yellow bus, the truck, the green bus.
2. **The truck, the yellow bus, the green bus.**
3. The yellow bus, the green bus, the truck.

Answer: 2

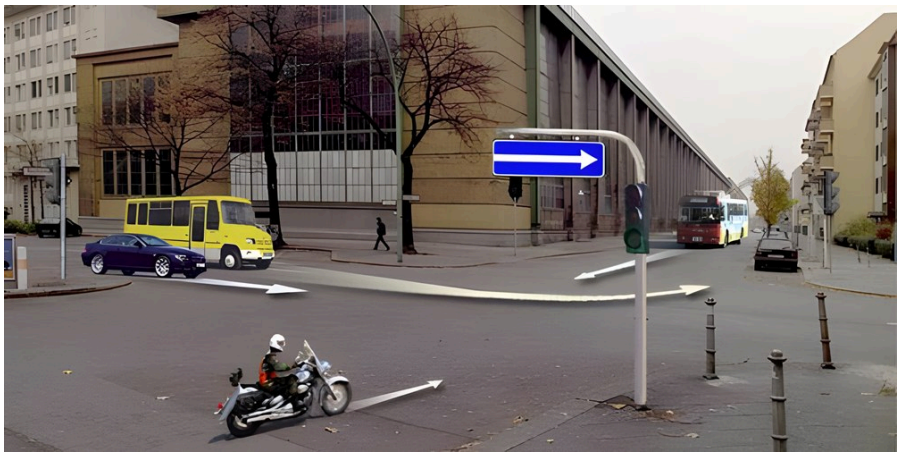

53. The vehicles will proceed through the intersection in the following order:

1. **The bus, then the passenger car and the truck simultaneously.**
2. The passenger car and the truck simultaneously, then the bus.

Answer: 1

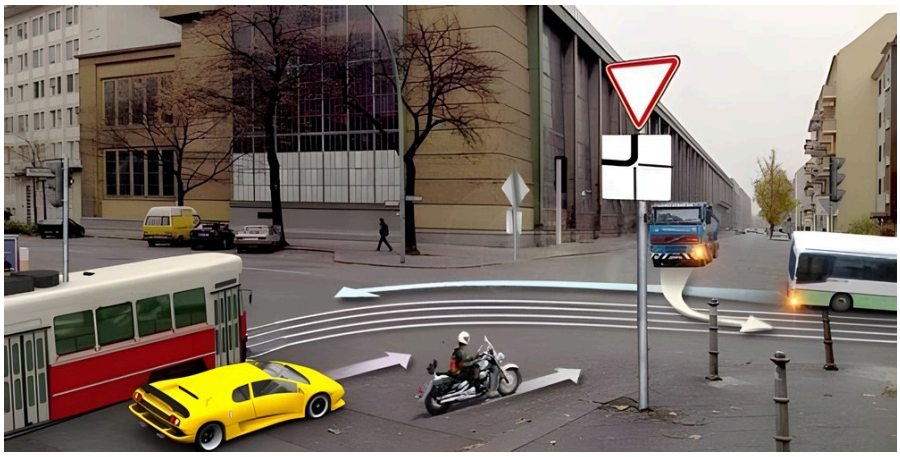

54. In what order will the vehicles proceed through the intersection if the traffic signals are not operating?

1. The trolleybus and the motorcycle, then the bus and the passenger car.
2. **The motorcycle, then the bus and the passenger car, then the trolleybus.**
3. The bus and the passenger car, then the trolleybus and the motorcycle.

Answer: 2

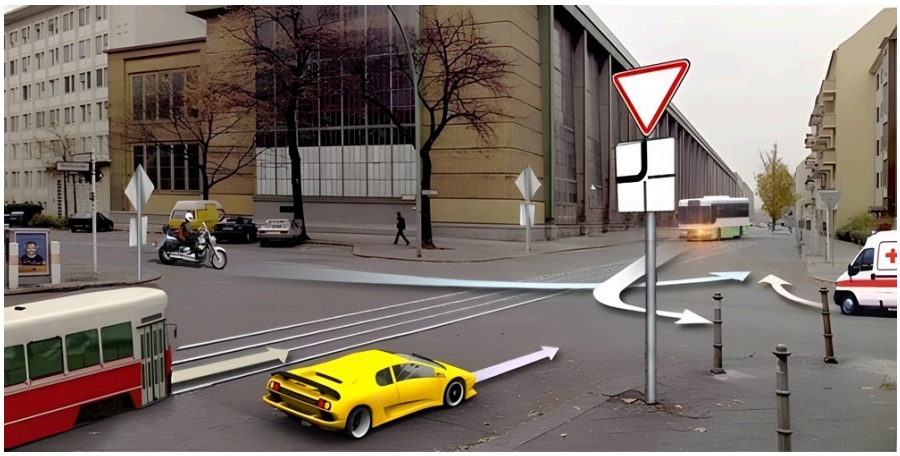

55. The vehicles will proceed through the intersection in the following order:

1. **The truck, then the tram and the bus, then the motorcycle and the passenger car.**
2. The tram and the bus, then the motorcycle and the passenger car, then the truck.

Answer: 1

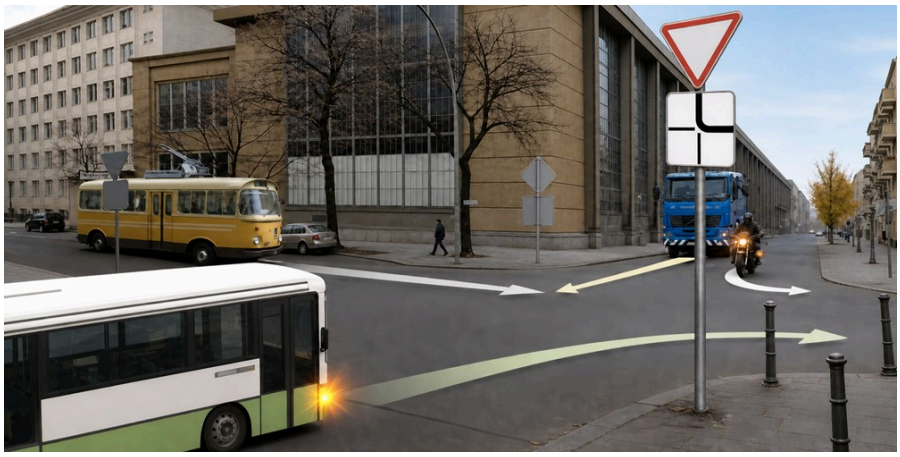

56. The vehicles will proceed through the intersection in the following order:

1. The ambulance, the tram, the motorcycle, the bus, the passenger car.
2. **The motorcycle, the bus, then the tram and the ambulance, then the passenger car.**

Answer: 2

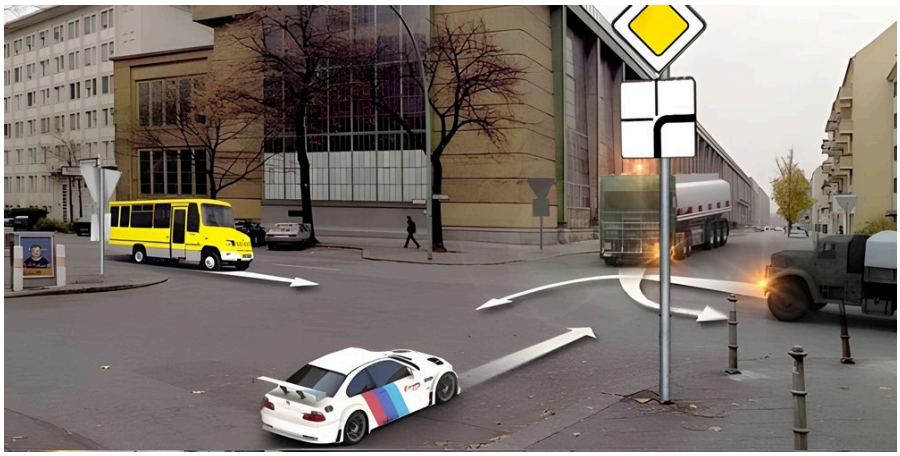

57. The vehicles will proceed through the intersection in the following order:

1. **The truck and the motorcycle, then the bus, then the trolleybus.**
2. The truck and the bus, then the motorcycle, then the trolleybus.

Answer: 1

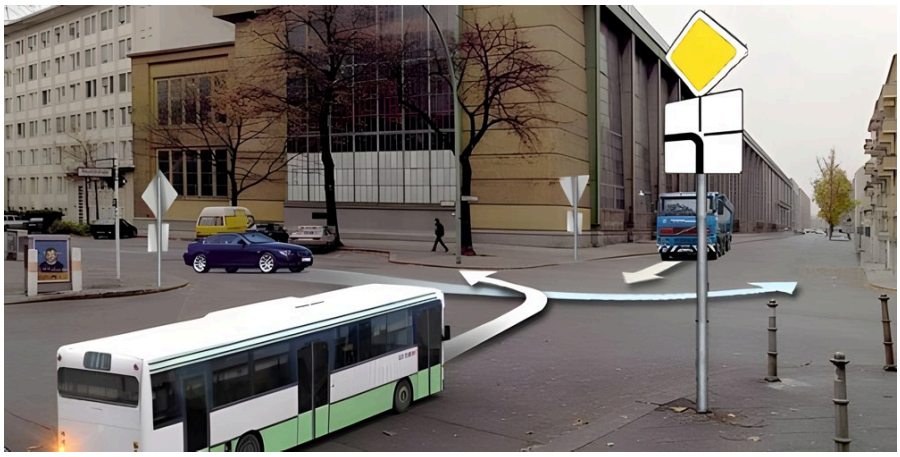

58. The vehicles will proceed through the intersection in the following order:

1. **The truck, the passenger car, the bus, the tanker truck.**
2. The truck, the bus, the passenger car, the tanker truck.

Answer: 1

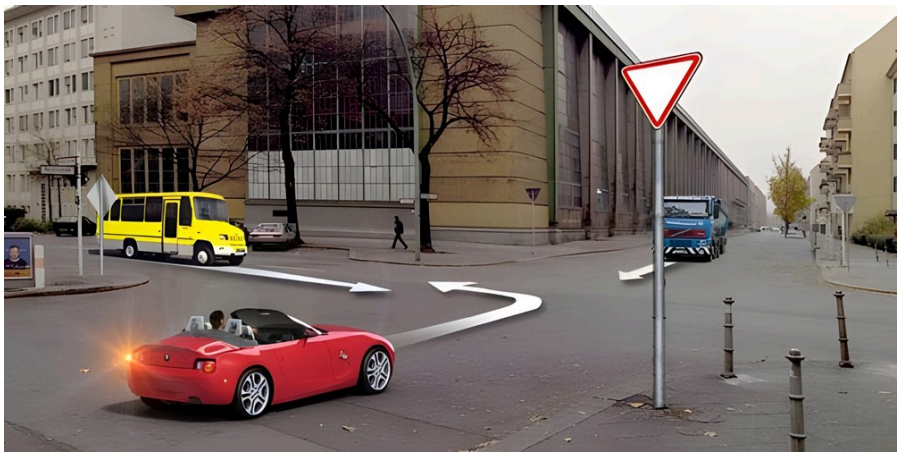

59. The passenger car will proceed through the intersection:

1. First.
2. **Second, after the bus.**
3. Third.

Answer: 2

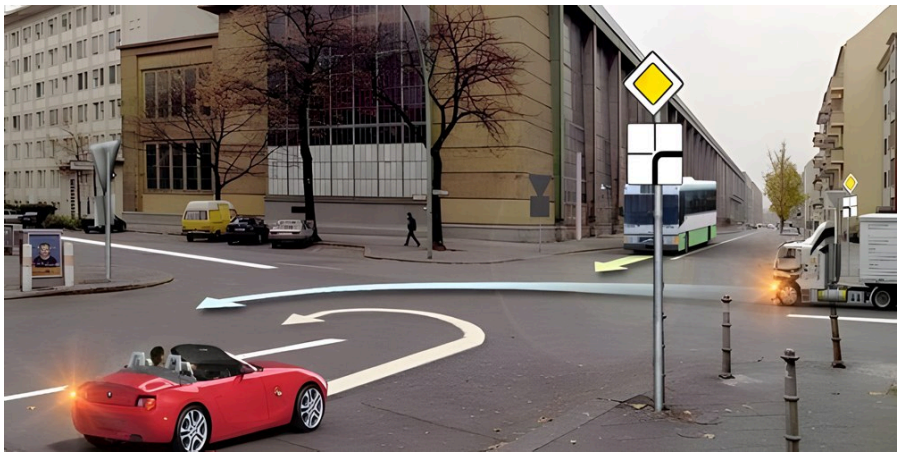

60. The vehicles will proceed through the intersection in the following order:

1. The passenger car, the bus, the truck.
2. **The bus, the truck, the passenger car.**
3. The bus, the passenger car, the truck.

Answer: 2

61. The vehicles will proceed through the intersection in the following order:

1. **The truck, the passenger car, the bus.**
2. The bus, the truck, the passenger car.
3. The bus, the passenger car, the truck.

Answer: 1

62. May the vehicles make left turns simultaneously?

1. **Yes.**
2. No. The passenger-car driver must yield.
3. No. The truck driver must yield.

Answer: 1

63. To whom must you yield in this situation?

1. Only to the bus.
2. To the passenger car.
3. **To no one.**

Answer: 3

64. In this situation, when making a left turn:

1. **You will proceed through the intersection first.**
2. You must yield to the truck driver.

Answer: 1

---

65. In this situation, when making a right turn:

1. **You will proceed through the intersection first.**
2. You must yield to the passenger-car driver.

Answer: 1

---

66. When making a left turn, you must yield to:

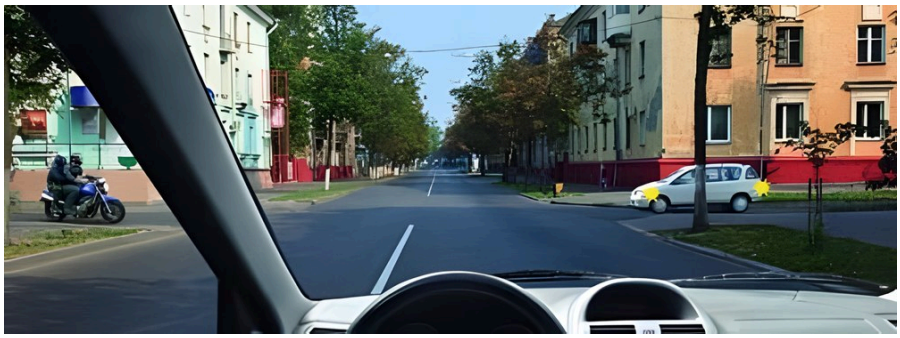

1. The passenger-car driver and the operator of tram A.
2. **Only the operator of tram A.**
3. The tram operators.
4. No one.

Answer: 2

---

67. If continuing straight ahead:

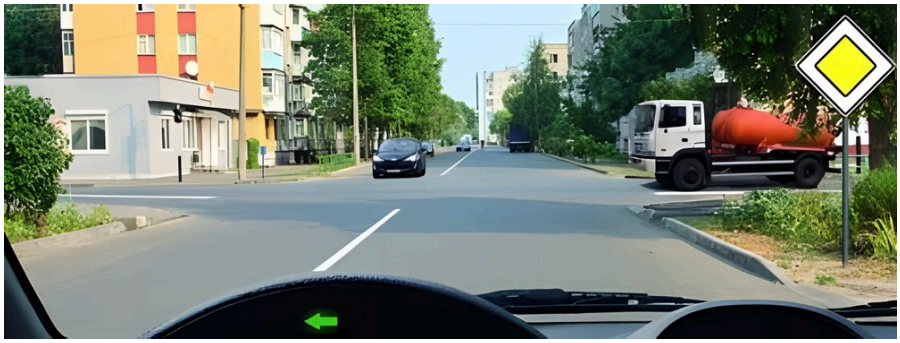

1. You will proceed through the intersection first.
2. **You will proceed after the passenger car has passed.**

Answer: 2

---

68. In this situation, when making a U-turn, you must yield to:

1. **The passenger car.**
2. Both drivers.

Answer: 1

---

69. In this situation, must we avoid interfering with pedestrians?

1. **Yes.**
2. No.

Answer: 1

---

70. **When congestion has formed immediately beyond the intersection, entering the intersection is permitted:**

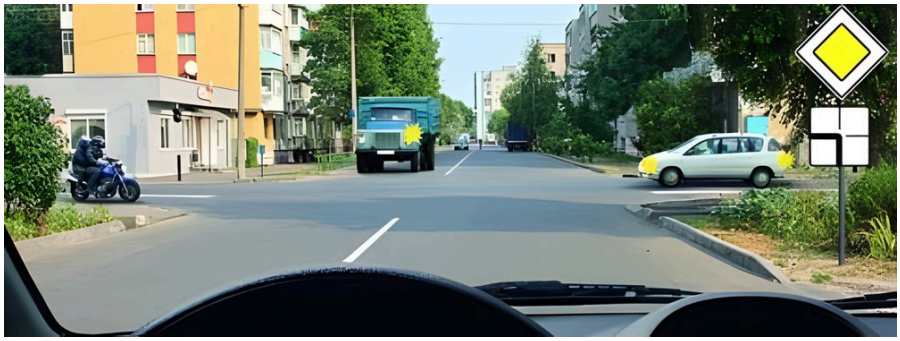

1. If you intend to continue straight ahead.
2. **If you intend to make a turn or a U-turn.**
3. In all of the listed cases.

Answer: 2

---

71. **We must yield to:**

1. The motorcycle operator.
2. The passenger-car driver.
3. **No one.**

Answer: 3

---

72. **When proceeding through the intersection, the driver must yield to:**

1. Only the tram operators.
2. **The passenger-car driver and the operator of tram B.**
3. No one.
4. Everyone.

Answer: 2

---

73. In this situation, when making a left turn, we must yield to:

1. The passenger-car driver.
2. The bus driver.
3. **No one.**

Answer: 3

74. We must yield to:

1. Only the tram operator.
2. The truck driver.
3. **Both drivers.**

Answer: 3

75. We must yield to:

1. The bus driver.
2. Both drivers.
3. **No one.**

Answer: 3

76. In this situation, when proceeding through the intersection, must you yield?

1. Yes.
2. **No.**

Answer: 2

---

77. In this situation, when proceeding through the intersection:

1. **We have the right-of-way to proceed first.**
2. We must yield to the tram operator.
3. We must yield to the truck driver.
4. We must yield to all drivers.

Answer: 1

---

78. When entering a roundabout marked with the “Roundabout” traffic sign, the driver of a vehicle:

1. **Must yield to vehicles proceeding within the roundabout.**
2. Has the right-of-way over vehicles proceeding within the roundabout.

Answer: 1

---

79. **In this situation, when making a left turn, we must yield to:**

1. All drivers.
2. Only the passenger-car driver.
3. **The bus driver and the passenger-car driver.**

Answer: 3

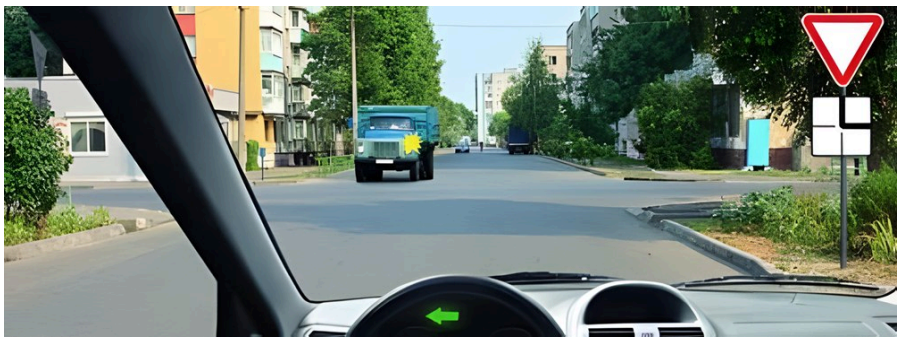

80. **Which driver must not interfere with pedestrians?**

1. The passenger-car driver.
2. The truck driver.
3. **Both drivers.**

Answer: 3

81. **In this situation, may the driver make a left turn?**

1. Yes.
2. **Yes, if the driver does not interfere with the truck driver.**
3. No.

Answer: 2

82. In this situation, when making a left turn, the driver:

1. Must yield.
2. Will proceed through the intersection first.

Answer: 1

83. The signs indicate that:

1. After 200 m, you must yield to traffic proceeding on the intersecting road.
2. Over the next 200 m, you must yield to all vehicles.

Answer: 1

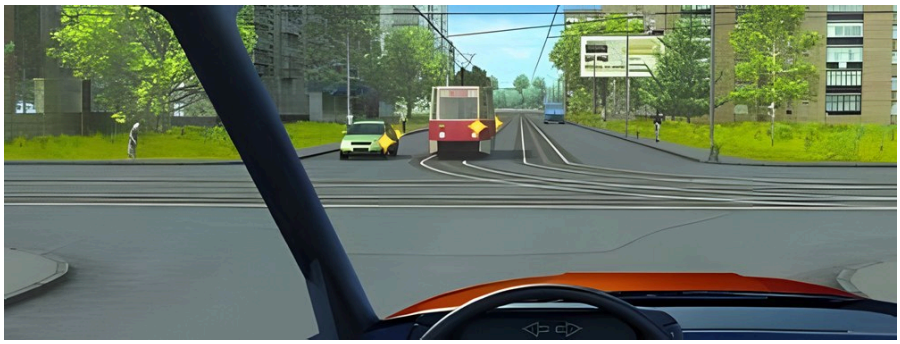

84. When making a left turn at the second crossing, the driver:

1. Has the right-of-way.
2. Must yield to the other drivers.
3. Must yield to the bus driver.

Answer: 3

85. When proceeding straight through the intersection, the driver:

1. May proceed first.
2. **Must yield to the tram.**
3. Must yield to both drivers.

Answer: 2

86. When making a left turn, to whom must the driver yield?

1. **The bus driver.**
2. The passenger-car driver.
3. No one.

Answer: 1

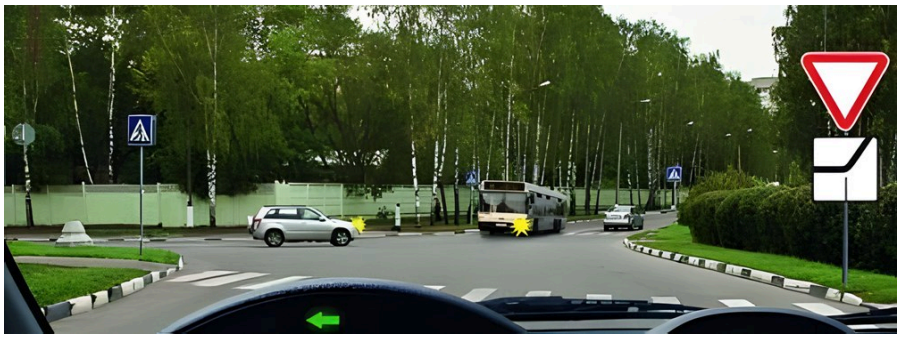

87. When entering this intersection, the driver:

1. Has the right-of-way.
2. Must yield to the truck.
3. **Must yield to both drivers.**

Answer: 3

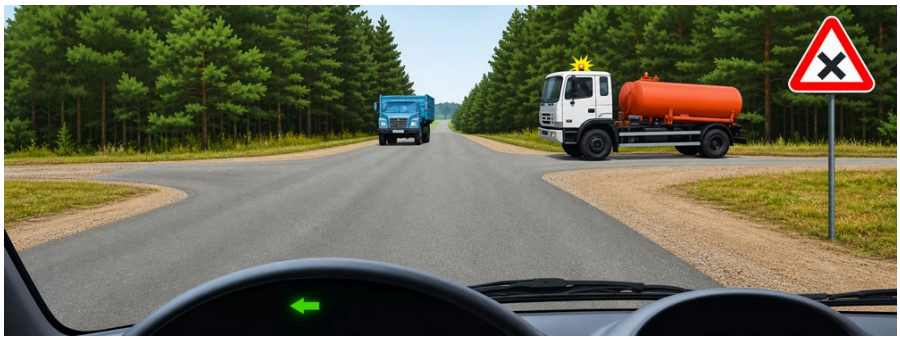

88. When making a left turn, to whom must the driver yield?

1. Both drivers.
2. The passenger-car driver.
3. The bus driver.

Answer: 1

89. In this situation, we must yield to:

1. Both drivers.
2. Only the truck approaching in the oncoming lane.

Answer: 1

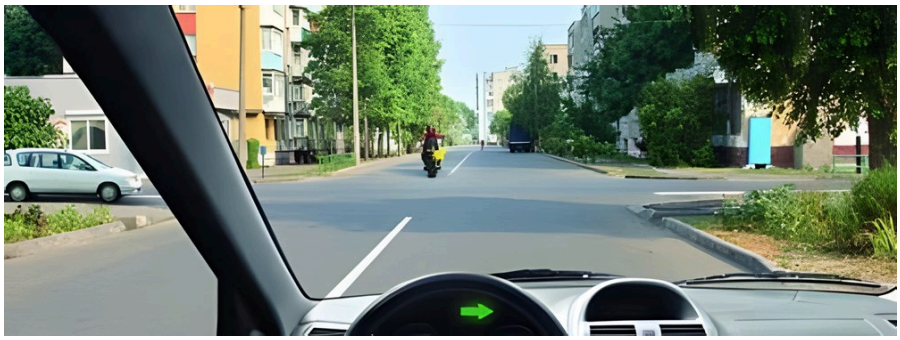

90. When making a left turn:

1. You will proceed through the intersection first.
2. You will yield.

Answer: 1

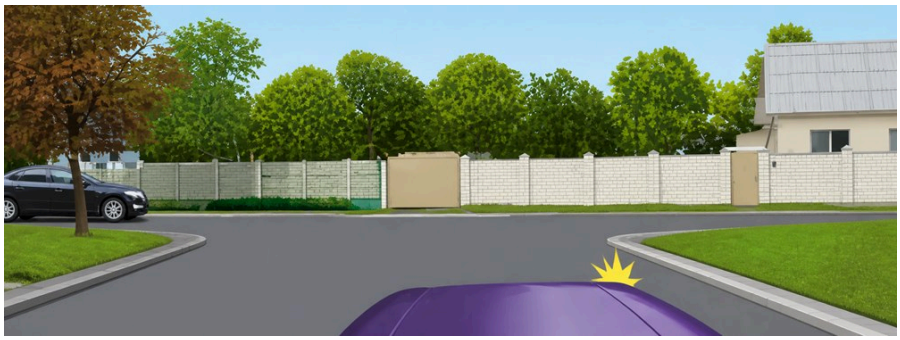

91. In this situation, when making a right turn, we:

1. **Proceed through the intersection first.**
2. Yield to the passenger-car driver.
3. Yield to both drivers.

Answer: 1

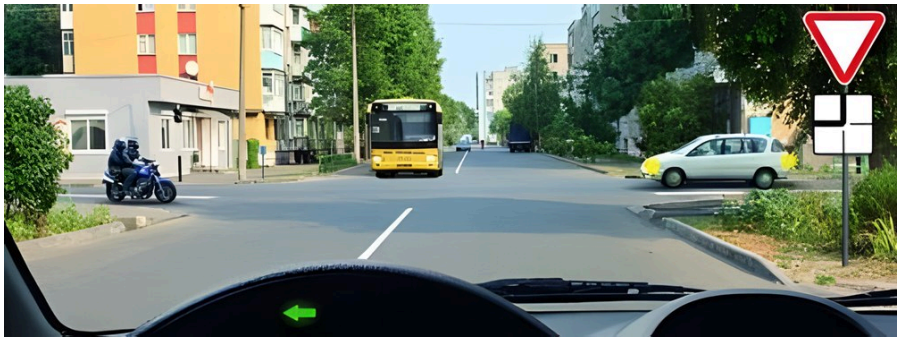

92. When making a right turn:

1. You must yield.
2. **You may proceed first.**

Answer: 2

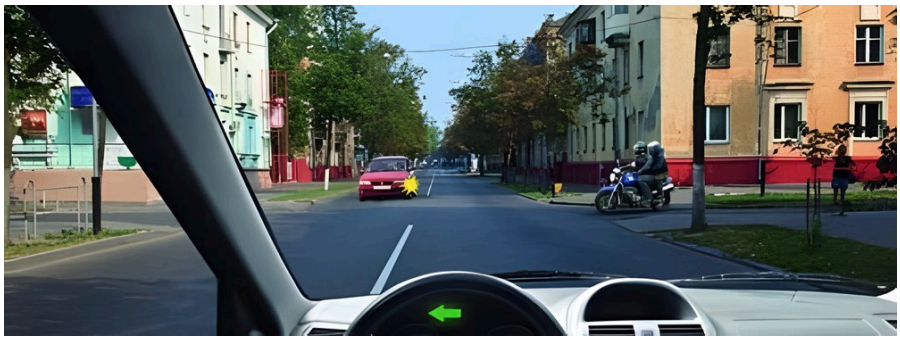

93. When making a left turn, you must yield to:

1. The bus driver and the driver of the motorcycle.
2. The bus driver.
3. **Everyone.**

Answer: 3

94. When making a left turn:

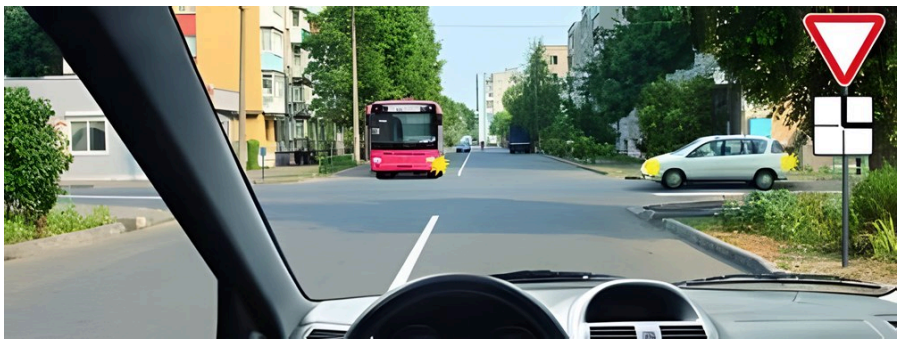

1. You will proceed first, simultaneously with the passenger car.
2. **You will proceed after the motorcycle.**

Answer: 2

---

95. When proceeding straight ahead, you must yield to:

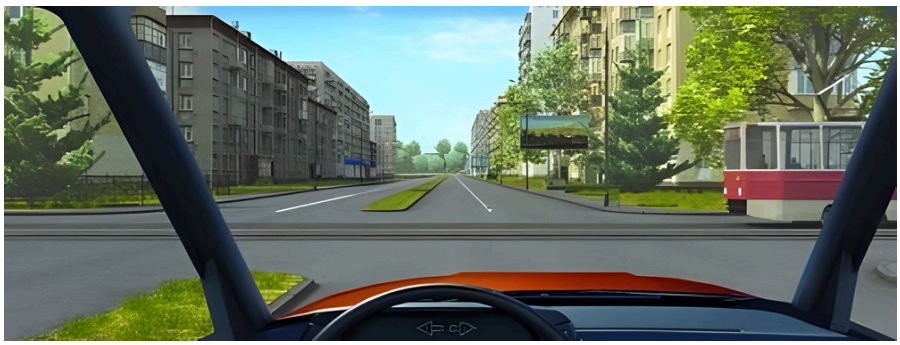

1. **Both drivers.**
2. Only the passenger car.
3. No one.

Answer: 1

---

96. Must we yield to the tram?

1. **Yes.**
2. No.

Answer: 1

---

97. In this situation, when is a right turn permitted?

1. Immediately.
2. **At the same time as the truck passes, provided you do not interfere with the truck.**
3. After the truck has passed.

Answer: 2

98. When proceeding straight through the intersection, you must yield to:

1. Only the operator of tram A.
2. Only the operator of tram B.
3. **Both drivers.**
4. No one.

Answer: 3

99. When making a left turn, you must yield to:

1. **Only the bus driver.**
2. Both drivers.
3. No one.

Answer: 1

100. **Who will proceed through the intersection first?**

1. The truck driver.
2. The trolleybus driver.
3. **The rules do not regulate this situation. The drivers should proceed while showing mutual respect.**

Answer: 3

---

101. **The driver must not interfere with pedestrians:**

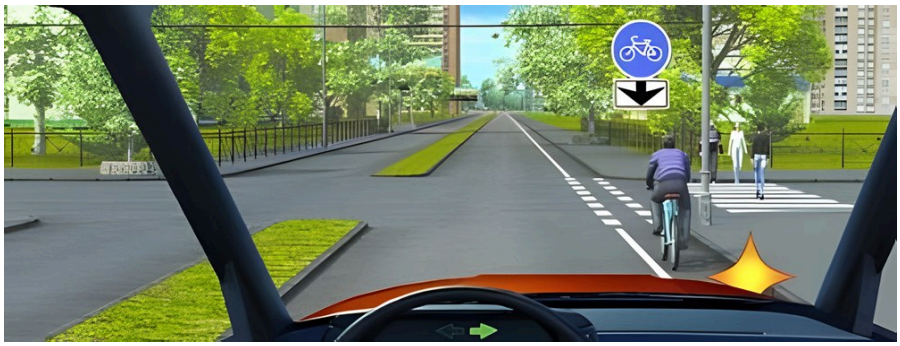

1. Only when making a left turn.
2. Only when making a right turn.
3. **In both cases.**

Answer: 3

---

102. **When making a right turn, you must yield to:**

1. **Pedestrians and bicyclists.**
2. Pedestrians only.

Answer: 1

---

103. When making a left turn, you must yield to:

1. Only the passenger-car driver.
2. The passenger-car driver and the bus driver.
3. No one.

Answer: 1

---

104. When a driver cannot determine whether the road has a paved surface (at night, because of mud, snow, etc.) and there are no priority signs:

1. The driver must consider that he/she is on a secondary road.
2. The driver must follow the rules for proceeding through an intersection of roads of equal priority.

Answer: 1

---

105. In this situation, we must yield to:

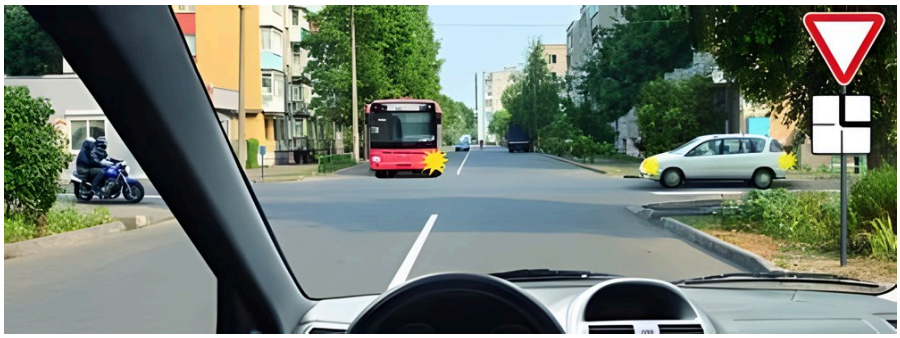

1. All drivers.
2. Only the truck driver.
3. Only the passenger-car driver.

Answer: 1

---

106. **We must yield to:**

1. The passenger-car driver.
2. **The bus driver and the passenger-car driver.**
3. All drivers.

Answer: 2

---

107. **When making a U-turn at this intersection:**

1. I will perform the maneuver first.
2. **I must yield to the other driver.**

Answer: 2

---

108. **When the traffic signal is flashing yellow, while proceeding straight through the intersection we must:**

1. Stop and wait for the permissive green signal.
2. **Yield to the passenger-car driver.**
3. Yield to the tram operator.

Answer: 2

---

109. When proceeding straight ahead:

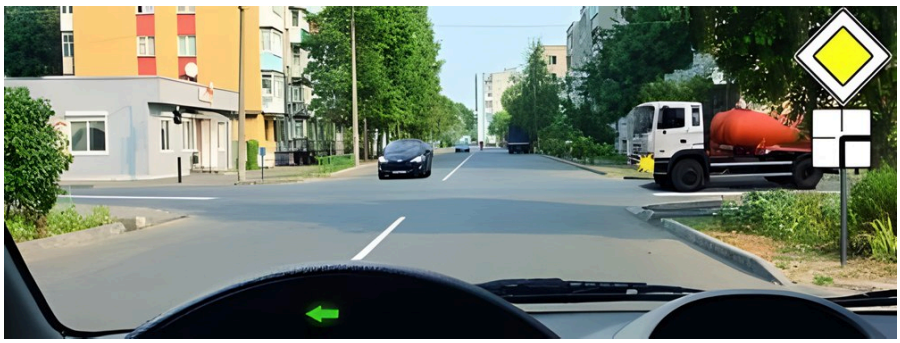

1. We may proceed through the intersection first.
2. **We must yield.**

Answer: 2

---

110. When making a U-turn, to whom must you yield?

1. **The truck driver.**
2. The passenger-car driver.
3. Both drivers.

Answer: 1

---

111. When making a left turn, must we yield to the tram?

1. **Yes.**
2. No.

Answer: 1

---

112. **At this intersection, we do not have to yield to the truck approaching from the unpaved road because:**

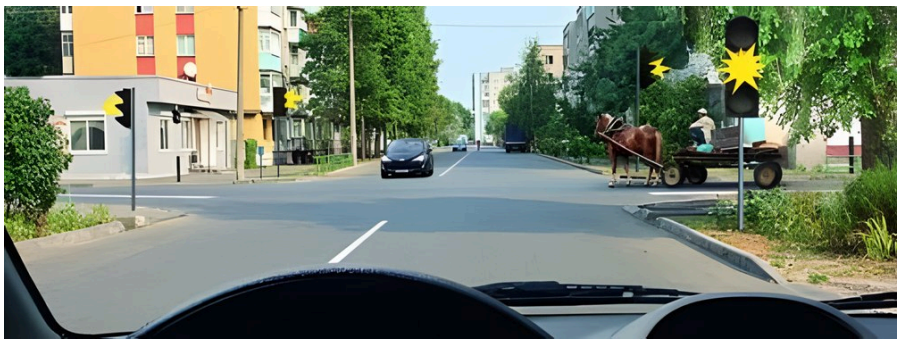

1. We must yield because it is approaching from our right.
2. **A paved road is considered the priority road relative to an unpaved road.**

Answer: 2

---

113. **When the traffic signal is flashing yellow:**

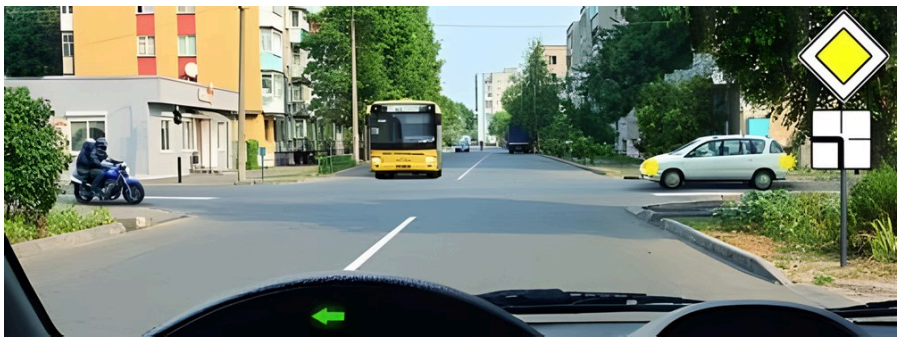

1. We must wait for the green signal.
2. **We will proceed through the intersection after yielding to the driver of the animal-drawn cart.**
3. You will proceed through the intersection simultaneously with the passenger car.

Answer: 2

---

114. **When making a left turn, we must yield to:**

1. The passenger-car driver.
2. The bus driver.
3. The driver of the motorcycle.
4. **No one.**

Answer: 4

---

115. In this situation:

1. **We must yield to the truck driver.**
2. We may proceed through the intersection simultaneously with the tram.

Answer: 1

---

116. When proceeding through the intersection, we must yield to:

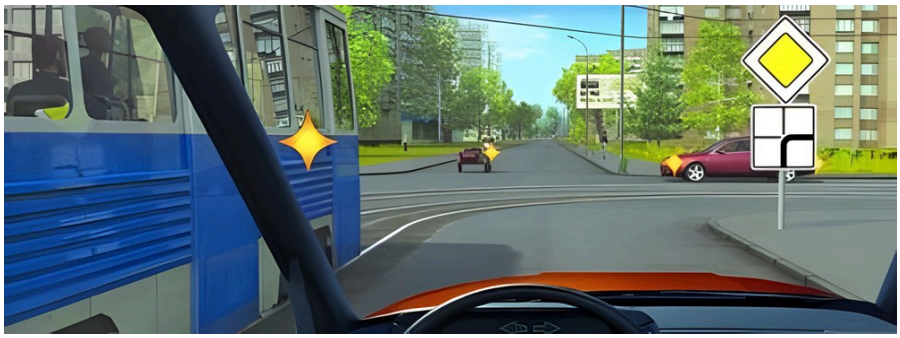

1. The driver of the motorcycle.
2. The driver of the motorcycle and the bus driver.
3. The bus driver and the passenger-car driver.
4. **All drivers.**

Answer: 4

---

117. In this situation, you must yield to:

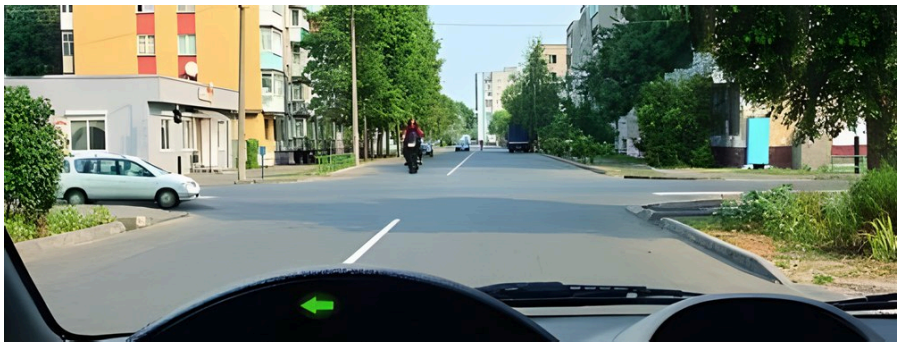

1. Only the tram operator.
2. The passenger-car driver.
3. **The passenger-car driver and the tram operator.**
4. All drivers.

Answer: 3

---

118. In this situation, when making a left turn:

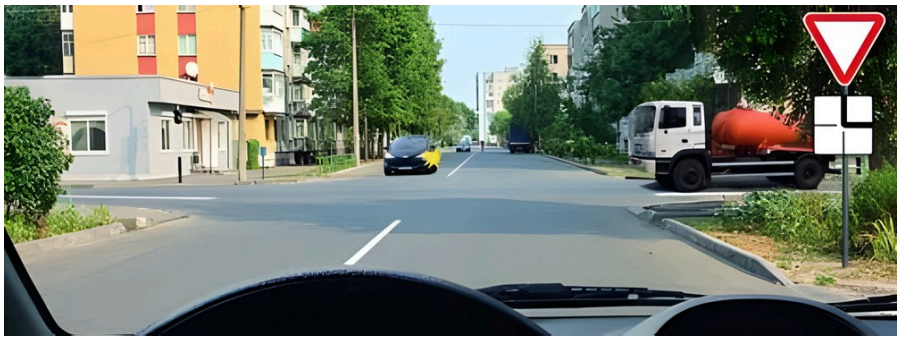

1. You will proceed through the intersection first.
2. **After entering the intersection, you will yield to the driver of the motorcycle and then complete the maneuver.**

Answer: 2

---

119. When proceeding straight through the intersection, you must yield to:

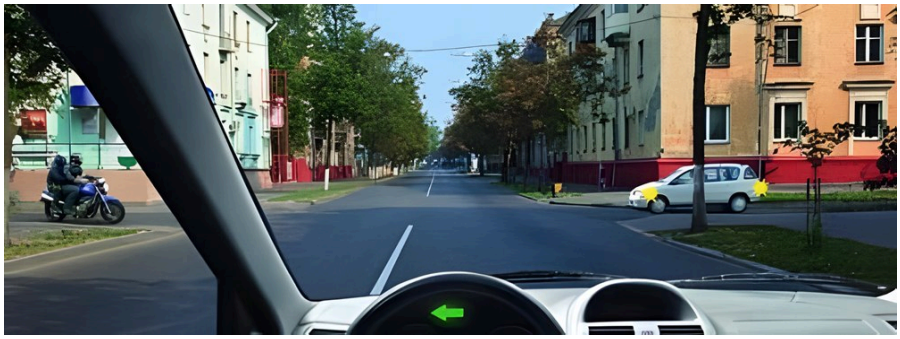

1. The truck driver.
2. The passenger-car driver.
3. **Both drivers.**

Answer: 3

---

120. In this situation:

1. You will proceed through the intersection first.
2. **You will yield to the passenger-car driver.**
3. You will yield to both drivers.

Answer: 2

---

121. We must yield to:

1. **Both drivers.**
2. The passenger-car driver.
3. The bus driver.

Answer: 1

122. At this intersection:

1. You will proceed first.
2. **You will yield to the truck.**

Answer: 2

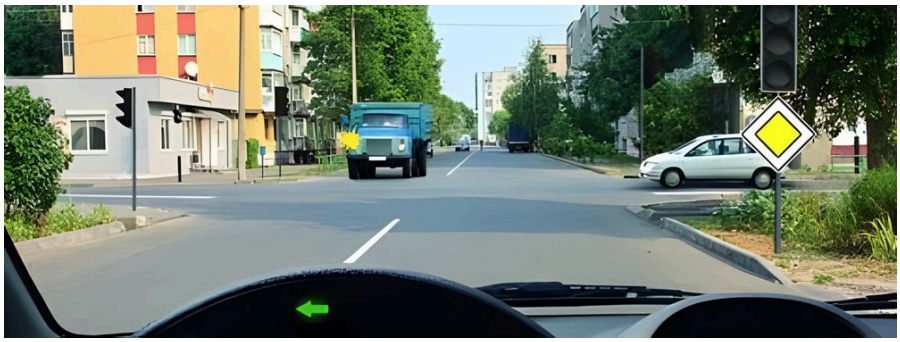

123. Must we yield to the tram operator?

1. **Yes.**
2. No.

Answer: 1

124. When making a left turn, you must yield to:

1. **The truck driver.**
2. Both drivers.
3. No one.

Answer: 1

---

125. At this intersection:

1. You will yield.
2. **You will proceed first.**

Answer: 2

---

126. When proceeding straight ahead, must we yield to the tram?

1. **We must.**
2. We must not.

Answer: 1

---

127. Must we yield to the tram?

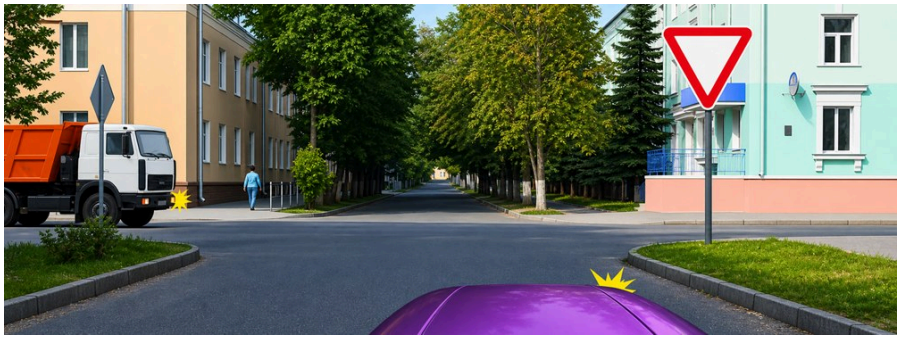

1. Yes.
2. No.

Answer: 1

---

128. In this situation, a right turn is permitted:

1. Only after the truck has passed.
2. At the same time as the truck, provided this does not interfere with the truck driver.

Answer: 2

---

129. To which tram operator must we yield?

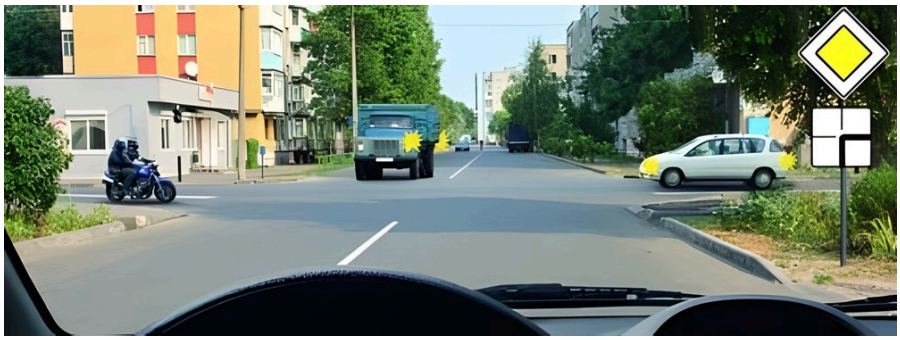

1. Only A.
2. Only B.
3. Both tram operators.

Answer: 3

---

130. When proceeding straight ahead, you must yield to:

1. **The passenger-car driver.**
2. Everyone.
3. No one.

Answer: 1

131. In this situation, you must yield to:

1. The bus driver.
2. The truck driver.
3. **Both drivers.**

Answer: 3

132. Under which sign must you give way at an intersection to drivers approaching from the left?

A

B

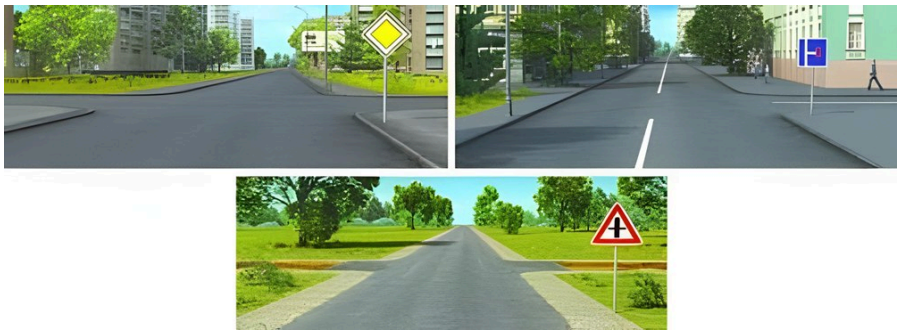

C

1. Only A.
2. **Only B.**
3. A and B.
4. All.

Answer: 2

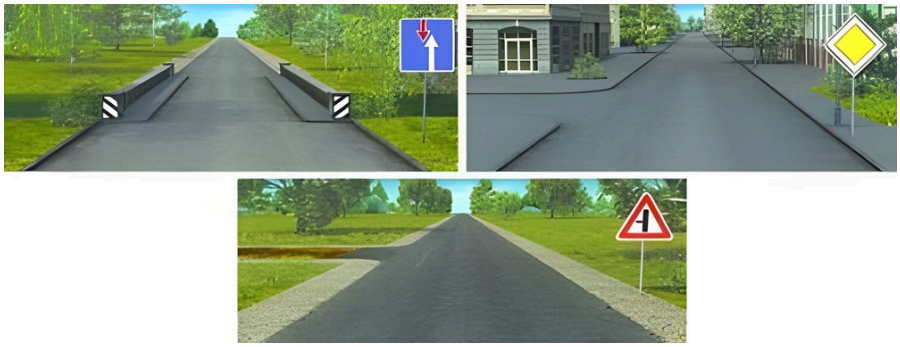

133. In which image is the priority road shown?

1. Only in the left image.
2. **In the lower and left images.**
3. In all images.

Answer: 2

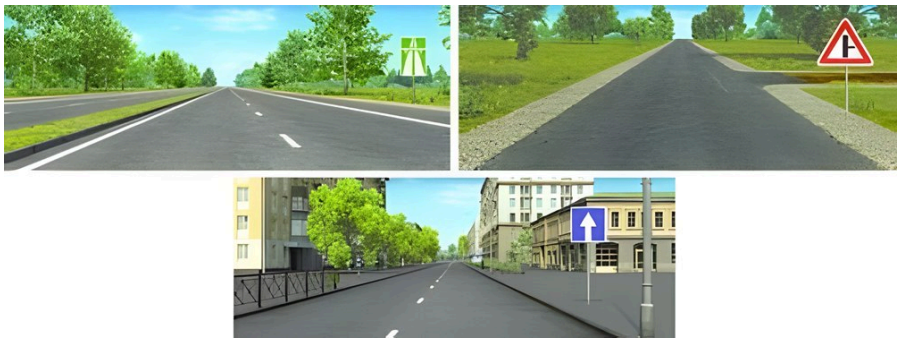

134. In which image is the priority road shown?

1. Only in the right image.
2. **In the right and lower images.**
3. In all images.

Answer: 2

135. In which image is the priority road shown?

1. Upper left.
2. Upper right.
3. **In the upper images.**
4. In all images.

Answer: 3

136. **At an intersection, which road is considered the priority road?**

1. **A paved road (asphalt concrete, cement concrete, stone materials, etc.) relative to an unpaved road.**
2. A three-lane road relative to a road having one lane in each direction.
3. An asphalt-concrete road relative to a road paved with slabs.

Answer: 1
