1. 18 years.
2. 19 years.
3. 20 years.
4. **21 years.**

Answer: 4

---

4. According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', who is considered a pedestrian?

1. **A person on the road outside a vehicle, excluding a person authorized to carry out roadworks who is performing such work in accordance with the law.**
2. A person on the road outside a vehicle, including a person authorized to carry out roadworks who is performing such work in accordance with the law.

Answer: 1

---

5. According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', where must initial practical driving instruction take place?

1. On roads outside built-up areas, taking account of traffic volume.
2. **On an enclosed training ground or driving practice track.**
3. On any road (except motorways), taking account of traffic volume.

Answer: 2

---

6. According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', is an exit from an adjacent area onto a road considered an intersection?

1. No, it is not.
2. Yes, it is.

Answer: 1

7. According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', holders of driving licences for categories B, C and D may also drive vehicles with trailers if the trailer's maximum authorised mass does not exceed:

1. 750 kg.
2. 800 kg.
3. 1,000 kg.

Answer: 1

8. According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', which of the following is considered a compulsory stop?

1. An interruption of movement caused by the unexpected activation of a prohibitory traffic light signal.
2. An interruption of movement caused by a traffic jam.
3. Bringing a vehicle to a standstill due to danger arising from a vehicle malfunction, the physical and/or mental condition of the driver (or passenger), the load being carried, or another obstruction on the road.
4. All of the above.

Answer: 4

9. According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', what is considered insufficient visibility?

1. The distance at which the road is visible during darkness.
2. The distance at which the road is visible in built-up areas where the carriageway has no artificial lighting.
3. Road visibility and/or a visibility distance of up to 300 metres in fog, rain, snowfall and/or other weather conditions adverse to road traffic safety.

Answer: 3

10. According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', what is considered stopping?

1. Intentionally bringing a vehicle to a standstill for up to five minutes, or for the time necessary for passengers to board or alight and/or for loading or unloading.
2. Bringing a vehicle to a standstill for more than five minutes when this is not connected with passengers boarding or alighting, or with loading or unloading.

Answer: 1

11. According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', what is considered a public service vehicle?

1. A vehicle operating on a fixed route with designated stops and carrying passengers and/or luggage (tram, trolleybus or bus).
2. A vehicle operating on a fixed route with designated stops and carrying passengers and/or luggage (tram, trolleybus or bus), as well as a passenger taxi.

Answer: 1

12. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', what is considered a trailer (semi-trailer)?**

1. Any motor vehicle being towed by means of a rigid towbar.
2. **A vehicle without an engine, designed to be drawn by a motor vehicle and to travel as part of a vehicle combination (including a special-purpose trailer).**

Answer: 2

---

13. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', which side of the road is used for traffic in Armenia?**

1. **Right-hand traffic.**
2. Left-hand traffic.

Answer: 1

---

14. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', what is considered parking?**

1. Intentionally bringing a vehicle to a standstill for more than five minutes when this is not connected with passengers boarding or alighting, or with loading or unloading.
2. **Intentionally bringing a vehicle to a standstill for more than five minutes, except when necessary to avoid a collision with another road user or an obstacle, for passengers to board or alight and/or for loading or unloading, or in other cases provided for by law.**

Answer: 2

---

15. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', at what age may persons conscripted into the Armed Forces or other troops of the Republic of Armenia be issued a driving licence for category D or subcategory D1 vehicles?**

1. At 18 years of age.
2. **At 19 years of age.**
3. At 20 years of age.
4. At 21 years of age.

Answer: 2

---

16. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', within what period after purchasing a vehicle must it be presented for state registration at a registration and examination division of the Ministry of Internal Affairs?**

1. **Within 15 days.**
2. Within 10 days.
3. Within 20 days.

Answer: 1

---

17. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', who is responsible for maintaining a vehicle used in road traffic in a roadworthy condition?**

1. **The vehicle's owner or user.**
2. The organization that sold the vehicle.
3. The organization that carried out the vehicle's most recent annual technical inspection.
4. All of the persons and organizations listed above.

Answer: 1

---

18. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', what must a driver check before setting off?**

1. That the braking and steering systems are in working order.
2. That the remaining tyre tread depth complies with the prescribed standards.
3. **All of the above.**

Answer: 3

---

19. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', to whom must a driver make their vehicle available to provide assistance?**

1. To police officers for transporting people in need of emergency medical care to a medical facility.
2. To medical personnel travelling in the same direction to provide medical assistance (with the driver's consent).
3. **In both cases.**

Answer: 3

---

20. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', what must a driver do if involved in a road traffic accident?**

1. Stop the vehicle immediately.
2. Switch on the hazard warning lights.
3. Do not move any objects connected with the accident.
4. **Perform all of the above actions.**

Answer: 4

---

21. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', which documents must the driver of a motor vehicle carry?**

1. **A driving licence for the relevant vehicle category and the vehicle registration documents, or their digital versions when driving within the Republic of Armenia.**
2. A power of attorney when driving a vehicle belonging to another person.
3. All of the documents listed above.

Answer: 1

---

22. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', what is considered a traffic lane?**

1. A marked longitudinal strip of the carriageway wide enough for vehicles to travel in a single file.
2. **A marked or unmarked longitudinal strip of the carriageway wide enough for vehicles to travel in a single file.**

Answer: 2

---

23. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', what is meant by the maximum permissible mass of a vehicle?**

1. The mass of a fully equipped vehicle with its fuel and other fluids.
2. **The mass of a fully equipped vehicle, with its fuel and other fluids, loaded with the driver, passengers and goods.**

Answer: 2

---

24. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', who is considered a traffic controller?**

1. **A person authorized to regulate road traffic who performs traffic control in accordance with the procedure prescribed by law.**
2. Any road user (driver, passenger or pedestrian) who directs traffic when necessary.
3. All of the above.

Answer: 1

---

25. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', is a person teaching someone to drive treated as a driver?**

1. **Yes, the instructor is treated as a driver.**
2. No, the instructor is not treated as a driver.

Answer: 1

---

26. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', what constitutes a dangerous traffic situation?**

1. A situation arising from an act and/or omission of a road user that creates a real risk of a road traffic accident.
2. **A situation arising from an act and/or omission of a road user and/or traffic controller that creates a real risk of a road traffic accident.**

Answer: 2

---

27. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', what is considered the hours of darkness?**

1. In autumn and winter, the period from 8:00 p.m. to 8:00 a.m.; in spring and summer, the period from 10:00 p.m. to 6:00 a.m.
2. **The period between the end of evening twilight and the beginning of morning twilight.**
3. The period when there is no sunlight.

Answer: 2

---

28. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', what is considered a bus?**

1. **A motor vehicle with more than eight passenger seats, designed and equipped for the safe and comfortable carriage of passengers and luggage.**
2. A motor vehicle with eight or more passenger seats, designed and equipped for the safe and comfortable carriage of passengers and luggage.

Answer: 1

---

29. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', which of the following persons are treated as pedestrians?**

1. Persons with disabilities moving at walking speed in motorized wheelchairs.
2. Persons walking alongside and pushing a bicycle, moped or motorcycle.
3. **All of the above.**

Answer: 3

---

30. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', when does the right to drive a motor vehicle take effect?**

1. Upon successfully passing the practical driving test at the registration and examination division of the Ministry of Internal Affairs.
2. **Upon obtaining a driving licence.**

Answer: 2

31. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', for how long is a national driving licence issued?**

1. For 5 years.
2. **For 10 years.**
3. For 20 years.
4. Without an expiry date.

Answer: 2

32. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', for how long is an international driving permit issued?**

1. For 1 year.
2. **For 3 years.**
3. For 5 years.
4. Without an expiry date.

Answer: 2

33. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', who may become a learner driver (except a learner driver of a category AM vehicle)?**

1. A person who has reached the age of 15.
2. A person who has reached the age of 16.
3. **A person who has reached the age of 17.**

Answer: 3

34. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', what is considered stopping?**

1. Bringing a vehicle to a standstill at a passenger's request.
2. Deliberately bringing a vehicle to a standstill for more than 5 minutes, where this is not connected with boarding or alighting of passengers or loading or unloading the vehicle.

Answer: 3

35. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', what is considered a public transport vehicle?**

1. A vehicle operating on a set route with designated stops and carrying passengers and/or luggage (tram, trolleybus or bus), as well as a passenger car used as a taxi.
2. **A vehicle operating on a set route with designated stops and carrying passengers and/or luggage (tram, trolleybus or bus).**
3. A vehicle operating on a tourist route and carrying passengers and/or luggage.

Answer: 2

36. According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', what is considered the maximum permissible mass of a vehicle?

1. The maximum mass of a fully equipped and fuelled vehicle.
2. **The mass of a fully equipped and fuelled vehicle, including the driver, passengers and load, specified by the manufacturer as the maximum permissible mass.**
3. The mass of a vehicle, including the driver, passengers and load, specified by the manufacturer as the maximum permissible mass.

Answer: 2

---

37. According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', holders of driving licences for categories B, C and D and subcategories C1 and D1 may also drive vehicles of those categories with a trailer, provided the trailer's maximum permissible mass is:

1. 950 kg.
2. 850 kg.
3. **750 kg.**

Answer: 3

---

38. According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', what is considered a stopping place for public transport vehicles?

1. **A place along a designated public transport route intended for passengers to board and alight and identified by the appropriate road signs.**
2. A place along a designated public transport route intended for passengers to board and alight.

Answer: 1

---

39. According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', a driving licence for category D and subcategory D1 vehicles may be issued to persons who:

1. **Hold a driving licence for category B or C or subcategory C1 vehicles and have reached the age of 21.**
2. Hold a driving licence for category B or subcategory B1 vehicles and have reached the age of 18.
3. Hold a driving licence for categories A and B or subcategories A1 and B1 vehicles and have reached the age of 18.
4. Hold a driving licence for category B or C or subcategory C1 vehicles and have reached the age of 20.

Answer: 1

---

40. According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', an international driving permit for categories D and DE and subcategories D1 and D1E may be issued to persons who have reached the age of:

1. 19.
2. 20.
3. **21.**
4. 22.

Answer: 3

---

41. When entering an asphalt-concrete surfaced road from an unpaved road, the asphalt-concrete surfaced road:

1. Must be regarded as the priority road.
2. Must be regarded as a road of equal priority.

Answer: 1

---

42. How many traffic lanes are there on this carriageway?

1. One.
2. Two.
3. Three.

Answer: 2

---

43. Is it permitted to drive along the centre of the carriageway when it has the width shown?

1. Yes.
2. Yes, if there is no oncoming traffic.
3. No.

Answer: 3

---

44. **Which of the following stationary objects is not considered an obstruction?**

1. Damage to the carriageway surface.
2. A foreign object.
3. A broken-down or stationary passenger car.
4. **A passenger car stopped because of traffic congestion.**

Answer: 4

45. **Are the pavement and the road shoulders considered parts of the road?**

1. **Yes.**
2. Only the road shoulder.
3. No.

Answer: 1

46. **How many carriageways does this road have?**

1. One.
2. **Two.**
3. Four.

Answer: 2

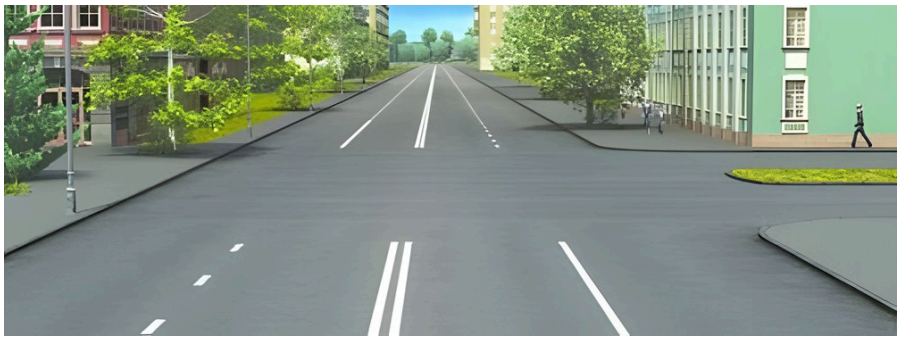

47. **How many intersections are shown in the picture?**

1. **One.**
2. Two.
3. Four.

Answer: 1

48. How many carriageway intersections are there at this junction?

1. One.
2. **Two.**

Answer: 2

49. How many traffic lanes does this road have?

1. Two.
2. **Four.**

Answer: 2

50. In which picture does the road have a central reservation?

1. Only in the picture on the right.
2. **In both pictures.**
3. Only in the picture on the left.

Answer: 2

51. **Yielding the right of way to other vehicles means that:**

1. The driver must not continue or resume driving or carry out any manoeuvre if doing so could cause other drivers to change their direction or speed.
2. **The driver must not continue or resume driving or carry out any manoeuvre if doing so could cause other drivers to change their direction or speed unexpectedly.**
3. The driver must stop the vehicle unconditionally.

Answer: 2

---

52. **Which picture shows an intersection?**

1. **Only the picture on the left.**
2. Only the picture on the right.
3. Both pictures.

Answer: 1

---

53. **How many carriageway intersections are there at this junction?**

1. One.
2. **Two.**
3. Four.

Answer: 2

---

54. **Changing lanes means:**

1. Leaving the traffic lane occupied by the vehicle while maintaining its original direction of travel.
2. Leaving the line of traffic occupied by the vehicle within a marked traffic lane while maintaining its original direction of travel.
3. **Both of the above.**

Answer: 3

---

55. A turn is defined as:

1. A manoeuvre performed to enter another road.
2. **A manoeuvre performed to enter another road or an area adjacent to the road.**

Answer: 2

---

56. A U-turn is defined as:

1. Driving a vehicle in the opposite direction.
2. **A manoeuvre performed to reverse the direction of travel of a vehicle.**

Answer: 2

---

57. Passing is defined as:

1. **Moving ahead of one or more moving vehicles without leaving the occupied traffic lane.**
2. Moving ahead of one or more moving vehicles by leaving the occupied traffic lane.

Answer: 1

---

58. Moving off is defined as:

1. **The moment a vehicle starts moving from a stopping or parking place, whether or not it involves changing to an adjacent traffic lane.**
2. The moment a vehicle starts moving from a stopping or parking place, involving changing to an adjacent traffic lane.

Answer: 1

---

59. Manoeuvring is defined as:

1. **Moving off (involving entry into an adjacent traffic lane), changing lanes, changing direction, stopping (involving a lane change), and reversing.**
2. Moving off, changing lanes, changing direction, stopping, and reversing.

Answer: 1

---

60. According to the Law of the Republic of Armenia on Road Traffic Safety, a truck is defined as:

1. **A motor vehicle designed and equipped for the carriage of goods.**
2. A motor vehicle weighing more than 3.5 tonnes, designed and equipped for the carriage of goods.

Answer: 1

---

61. According to the Law of the Republic of Armenia on Road Traffic Safety, a central reservation is defined as:

1. A structurally separated part of the road dividing adjacent carriageways, not intended for the movement or stopping of vehicles or pedestrians.
2. **A part of the road separated structurally and/or by appropriate road markings, dividing adjacent carriageways and not intended for the movement or stopping of vehicles or pedestrians.**

Answer: 2

---

62. According to the Law of the Republic of Armenia on Road Traffic Safety, a vehicle is defined as:

1. A passenger car or motorcycle.
2. **A device designed to carry persons, goods or equipment mounted on it along a road.**

Answer: 2

---

63. **According to the Law of the Republic of Armenia on Road Traffic Safety, the following persons are treated as drivers:**

1. **A person driving pack and/or riding animals or livestock along a road.**
2. A person driving pack and/or riding animals or livestock.

Answer: 1

64. **According to the Law of the Republic of Armenia on Road Traffic Safety, a pavement (sidewalk) is defined as:**

1. A part of the road adjoining the carriageway and intended for pedestrian movement in accordance with the procedure established by law.
2. A part of the road separated from the carriageway by any means and intended for pedestrian movement in accordance with the procedure established by law.
3. **Both of the above.**

Answer: 3

65. **According to the Law of the Republic of Armenia on Road Traffic Safety, a motor vehicle is defined as:**

1. **A power-driven vehicle intended for carrying passengers or goods by road, or for towing a vehicle used to carry goods, excluding vehicles such as agricultural tractors for which carrying passengers or goods by road, or towing a vehicle used to carry goods, is only an ancillary function.**
2. A power-driven vehicle intended for carrying passengers or goods by road, or for towing a vehicle used to carry goods, including vehicles such as agricultural tractors for which carrying passengers or goods by road, or towing a vehicle used to carry goods, is only an ancillary function.

Answer: 1

66. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', is a driver holding driving licences for categories B and C and subcategory D1 permitted to drive a bus with 17 seats?**

1. Permitted.
2. **Not permitted.**

Answer: 2

67. **According to the Law of the Republic of Armenia 'On Ensuring Road Traffic Safety', who is permitted to travel in a vehicle without wearing a seat belt?**

1. A driver with a disability travelling outside a built-up area.
2. **The driver of a vehicle with distinctive colour and graphic markings, travelling within a built-up area.**
3. An emergency service officer travelling outside a built-up area.

Answer: 2

68. **According to the Law of the Republic of Armenia "On Ensuring Road Traffic Safety", what is a bus driver prohibited from doing while driving?**

1. Wearing sunglasses in conditions of poor visibility.
2. **Smoking or throwing objects or items out of the vehicle.**
3. Listening to the radio or music at a low volume.
4. All of the above.

Answer: 2

69. **According to the Law of the Republic of Armenia on Ensuring Road Traffic Safety, which category or subcategory of driving licence is required to transport nine people in a truck?**

1. **Category D or DE, or subcategory D1 or D1E.**
2. Only category C or subcategory C1, since the vehicle is a truck.

Answer: 1

70. **According to the Law of the Republic of Armenia on Ensuring Road Traffic Safety, an electric vehicle is:**

1. **A motor vehicle propelled by one or more electric motors powered by an independent source of electricity (excluding trolleybuses and trams).**
2. A motor vehicle propelled by one or more electric motors powered by an independent source of electricity (including trolleybuses and trams).
3. A vehicle equipped with both an electric motor and an internal combustion engine, which may operate simultaneously or in succession.

Answer: 1

71. **According to the Law of the Republic of Armenia on Ensuring Road Traffic Safety, road traffic safety means:**

1. The prevention of accidents through monitoring carried out by the relevant government bodies and technical equipment.
2. Strict compliance with road traffic rules by all drivers and pedestrians.
3. **The state of protection of road users against road traffic accidents.**

Answer: 3
